My Happy Days In Hell:

My Happy Days in Hell György Faludy, 1963 *My Happy Days in Hell* is Gyorgy Faludy's grimly beautiful autobiography of his battle to survive tyranny and oppression. Fleeing Hungary in 1938 as the German army approaches, acclaimed poet Faludy journeys to Paris where he finds a lover but merely a cursory asylum. When the French capitulate to the Nazis, Faludy travels to North Africa then on to America where he volunteers for military service. Missing his homeland and determined to do the right thing, he returns only to be imprisoned, tortured, and slowly starved, eventually becoming one of only twenty-one survivors of his camp. *My happy days in Hell*, 1962

My Happy Days in Hollywood Garry Marshall, 2012-04-24 With the television hits *The Odd Couple*, *Happy Days*, *Laverne Shirley* and *Mork Mindy* and movies like *The Flamingo Kid*, *Beaches*, *Pretty Woman* and *The Princess Diaries* under his belt, Garry Marshall was among the most successful writers, directors, and producers in America for more than five decades. His work on the small and big screen delighted audiences for decades and has withstood the test of time. In *My Happy Days in Hollywood*, Marshall takes us on a journey from his stickball playing days in the Bronx to his time at the helm of some of the most popular television series and movies of all time, sharing the joys and challenges of working with the Fonz and the young Julia Roberts, the street performer Robin Williams, and the young Anne Hathaway among many others. This honest, vibrant, and often hilarious memoir reveals a man whose career was defined by his drive to make people laugh and whose personal philosophy, despite his tremendous achievements, was always that life is more important than show business.

The Walls Behind the Curtain Harold B. Segel, 2012-11-11 Because of their visibility in society and ability to shape public opinion, prominent literary figures were among the first targets of Communist repression, torture, and incarceration. Authors such as Aleksandr Solzhenitsyn famously documented the experience of internment in Soviet gulags. Little, however, has been published in the English language on the work of writers imprisoned by other countries of the Soviet bloc. For the first time, *The Walls Behind the Curtain* presents a collection of works from East European novelists, poets, playwrights, and essayists who wrote during or after their captivity under communism. Harold B. Segel paints a backdrop of the political culture and prison and labor camp systems of each country, detailing the onerous conditions that writers faced. Segel then offers biographical information on each writer and presents excerpts of their writing. Notable literary figures included are Vaclav Havel, Eva Kanturkova, Milan Simecka, Adam Michnik, Milovan Djilas, Paul Goma, Tibor Dery, and Visar Zhiti, as well as many other writers. This anthology recovers many of the most important yet overlooked literary voices from the era of Communist occupation. Although translated from numerous languages and across varied cultures, there is a distinct commonality in the experiences documented by these works. *The Walls Behind the Curtain* serves as a testament to the perseverance of the human spirit and a quest for individual liberty that many writers forfeited their lives for.
