Thriving in the Flow of Single Terry Lowey,2014-12-19 Thriving in the Flow of Single takes on the tried and not so true assertion in our culture that the life of a woman in a partner relationship has more value than that of a single woman Refusing to succumb to the programming driven negative self talk of a patriarchal upbringing the author sets out on a journey of self discovery liberation and authentic meaning Follow her unedited uncensored journal as she painstakingly examines and releases limiting beliefs that have not served her seeking and sourcing a broader abundant inclusive and expansive experience of deep love

Purposefully Broken Keith H. Thompson II,2026-03-20 Broken Many look at the pain few see the purpose Many settle for surface healing but only a few embrace the pursuit to be made whole Which one are you No one is immune to brokenness it is a natural part of life s journey and process No matter where you live in the world who you are or what you possess everyone has been affected by some type of difficulty or trauma at some time in one s life Rich or poor white or black woman or man strong or weak full of wisdom or lacking knowledge every single person in humanity has experienced his or her breaking point You may be confronted with extreme loss separation grief pain discouragement or disappointment and find yourself at some of the lowest points in your life When you are face to face with brokenness you will either embrace it or spurn your undesired state Yet the question still remains What if brokenness came with purpose instead of being broken on purpose In Purposefully Broken The Beautiful Blessing That Lies Beyond Keith H Thompson II takes you on multiple journeys that weave in and out of real life situations and conveys the beautiful blessing that awaits when you choose to view it all through the perspective of God His Word and promises Brokenness viewed through the lens of God enables you to first see His power providence perfection and love Only then can you envision and joyfully embrace His purpose that results in you becoming stronger wiser fruitful and most importantly closer to the source Only then can you obtain the beautiful blessing of living abundantly You find out after all that brokenness is a better bridge to wholeness than anything else temporal could ever be

Finding Identity Through Directing Soseh Yekanians,2020-05-10 Finding Identity through Directing is a practice led autoethnographical monograph that provides an in depth exploration into the field of theatre directing and an individual s endless creative pursuit for belonging The book specifically examines how a culturally displaced individual may find a sense of identity through their directing and addresses the internal struggles of belonging acceptance and Self that are often experienced by those who have confronted cultural unhoming The first half of the story scrutinises Dr Yekanians own identity as an Iranian born Armenian Australian and how she struggled with belonging growing up in a world that for the most part was unaccepting of her differences The second half looks at how theatre directing aided her re discovery of Self While

evidence shows that within the past decade there has been a growing interest in the vocation of theatre directing embarking on a career within this field while exciting can often be a daunting and experimental vocation Finding Identity through Directing questions this conundrum and specifically asks in a competitive artistic profession that is rapidly developing what attracts an individual to the authoritative role of the director and what are the underlying motivations of this attraction By uncovering that there is more to the role of the director than the mere finality of a production we can observe that the theatre is a promising setting for cultural exchanges in dialogue and for personal development Theatre directing as the vehicle for these expansions and progressions of self can potentially address the internal struggles of identity often experienced by those who in some form have encountered cultural displacement *We're Still Here* Jennifer M.
