My Pursuit To Hell:

Hell's Heroes John Gordon,2021 At the beginning we had all been sworn to secrecy this was never to be spoken about outside of the group After 35 years I feel I can now tell my story as it happened This is the first time I or anyone from the ground has spoken about any of the tasks my unit had to endure What is written here is based on my personal experiences in the armed forces Some fact some fiction Out of my respect for the men I served with I have kept names accurate and descriptions true to character After reading my story it is your choice what you believe A veteran s tale exhilarating heart breaking and loyal to the cause This is part one of my story **Heaven's Witness Hell's Evidence** Chinedu Nnadi,2026-03-16 For nearly two thousand years the truth has been on trial When a hidden chamber collapses beneath the Vatican a forbidden manuscript surfaces its pages stained with blood and written in languages long buried by time The text speaks of silenced witnesses erased councils and testimonies that contradict the very foundation of sacred history Across the ocean a controversial historian receives fragments of the same document delivered by an anonymous sender who is murdered before dawn What begins as an academic curiosity becomes a deadly race as the pieces reveal the existence of two competing records Heaven s Witness the official story sanctioned by power and Hell s Evidence the suppressed proof condemned as heresy As an archivist bound by faith and a scholar driven by truth join forces in secret they uncover a chilling conspiracy stretching from ancient Rome to modern corridors of power Entire wars crusades and inquisitions were not fought for belief alone but to control evidence eliminate dissent and decide whose testimony would shape eternity Hunted by an ancient order sworn to protect a carefully constructed lie the pair are forced into catacombs forgotten monasteries and mass graves where history s rejected witnesses still wait to be heard Each discovery brings them closer to a revelation capable of shattering faith toppling institutions and rewriting civilization s most sacred narrative But some truths were buried for a reason And if Hell s Evidence is revealed to the world heaven itself may not survive the verdict **The Greek State at War, Part IV** W.
