My Revelation:

The Revelation of All Revelations; in the Name of God: who Now in the Day of His Power Expounds the Mysteries of Scripture to the Enlightening of Souls John FIELD (of Chudleigh.),1848 [Life and Selected Revelations](#) Saint Bridget (of Sweden),1990 This was the massive simplified structure which had been built on Birgitta's orders using the foundations and the walls of the castle given to her by King Magnus

From Revelation to Revolution Chukwudi Chuck Eke,2022-01-12 The book *From Revelation to Revolution* iClouds of Witnesses for Developing and Driving Your Mind to Success in Career and Business shows how entrepreneurs, career professionals, freelancers, and the faithful can develop and drive their minds to get revelations and simultaneously turn them into revolutionary products and services benefitting the producer and consumers. It's a faith-driven book propelled with the mindset of reason and science, precisely psychology, economics, sociology, anthropology, etc. Beginning with his own successful life-transforming experiences driven by his grit, mindset, and the resilient spirit of God at work in him, the author draws from similar experiences of icons of success such as Barack Obama, Oprah Winfrey, Jeff Bezos, Tony Elumelu, Mark Zuckerberg, Serena Williams, Anderson Cooper, Arianna Huffington, etc. to show that in this COVID-19 proplelled global economy and even beyond, you can still turn your revolutionary revelations and ideas into trailblazing products and services for the good of humanity by practicing the time-tested principles detailed in this book. The principles are God-ordained for humans to succeed in their chosen fields or endeavors. No matter the field of your career, from technology to theology or from architecture to agriculture, these principles will enable you to revolutionize your ideas and visions into products, thereby earning you huge success while benefiting the public. The author asserts that if the success icons he refers to as Clouds of Witnesses succeeded with these principles in spite of the storms and uncertainties of the global marketplace, you can also win with these principles. This book is for career professionals, freelancers, entrepreneurs, and everyone desiring mind transformation from all walks of life. It's specially made for Christians and faith-propelled people who need moral, rational, and psychological boosts to get up and running with their revolutionary ideas and visions to pacesetting attainments in the COVID-19 driven economy and beyond

Landsburg,2009-11-03 In the wake of his enormously popular books *The Armchair Economist* and *More Sex Is Safer Sex*, Steven Landsburg uses concepts from mathematics, economics, and physics to address the big questions in philosophy: What is real?
