## **My Somebody Special:**

*My Somebody Special* Sarah Weeks,2002 It is the end of a busy day at school and one at a time all of the toddlers have been picked up all except one that is Now the last child sits alone with his teacher growing more and more anxious as he watches the door waiting and wondering Will my somebody special ever come for me too Any child who has felt worried at the end of a busy day will be comforted by this cozy story lovingly illustrated by Ashley Wolff You are Somebody Special Charlie W. Shedd,1978 Each chapter by a different author discusses topics of interest to teenagers including sex parents home life college jobs financial matters and religion I Am Someone Special Belinda Hernandez,2016-03-12 In the book I Am Someone Special the author shares the story of her dysfunctional childhoodher journey through the road of drug addiction and drug dealing and how she struggled to leave her dark past behind and move on to a new and better life Ms Hernandez did not experience the kind of childhood others enjoy by being adopted into a wealthy well off family She failed to receive the affection she wanted from her parents particularly from her adoptive mother The author was the youngest among seven children and the one who received the worst treatment from her alcoholic mother who was also addicted to drugs Her birthmother had stabbed her in the head when she was a nine month old baby After an incident that almost robbed the author of her life she was placed into an orphanage where her adoptive parents rescued her The authors adoptive family gave her the love she had long wanted along with everything she and her adopted brother and sister could ask for But despite it all Ms Hernandez became rebellious especially as a teenager Her rebellious teenage years eventually led her to the wrong path as she started using drugs and selling it as well She worked further into the drug business until she got caught and sentenced for a couple years in prison After serving her sentence the author strived to live a clean life and start anew With the help of her faith in God and the support of the man she loves she managed to reinvent herself into a better and strong person I Am Someone Special might appeal to a reader interested in stories that have changed the lives of individuals who recovered from drug addiction and made the decision to rebuild their lives away from drugs If you would like to get ahold of the author for questions or for advice contact her through Belindahernandez664 yahoo com You can buy my books at Amazon Barnes and Noble and Books A Million Teardrops of Freedom Marquis Heyer,2014-06-22 This book is a collection of poetry about soldiers including fallen and injured servicemen and women The collection does not specifically tell the story of an individual personally but more as an overall story of the members of our armed forces **Someone Special Starring Youth** George D. Durrant,1992-10 The Healing Poet Marquis Heyer,2016-08-02 This collection of poetry short stories gathers inspiration from the beauty of nature as if it using it as a healing mechanism Writing for me is therapeutic and I share that energy with others around me **Partiality** Simon Keller,2013-05-21 We are partial to people with whom we share special relationships if someone is your child parent or friend you wouldn t treat them as you would a stranger But is partiality justified and if so why Partiality presents a theory of the reasons supporting special treatment within special

relationships and explores the vexing problem of how we might reconcile the moral value of these relationships with competing claims of impartial morality Simon Keller explains that in order to understand why we give special treatment to our family and friends we need to understand how people come to matter in their own rights Keller first presents two main accounts of partiality the projects view on which reasons of partiality arise from the place that people take within our lives and our commitments and the relationships view on which relationships themselves contain fundamental value or reason giving force Keller then argues that neither view is satisfactory because neither captures the experience of acting well within special relationships Instead Keller defends the individuals view on which reasons of partiality arise from the value of the individuals with whom our relationships are shared He defends this view by saying that we must accept that two people whether friend or stranger can have the same value even as their value makes different demands upon people with whom they share different relationships Keller explores the implications of this claim within a wider understanding of morality and our relationships with groups institutions and countries
