Samantha Harris [The Story of My Heart](#) Richard Jefferies, 1883 **Shaped by the Story** Michael Novelli, 2010-02-02 A good story draws students in, engaging their hearts and minds, leaving them wanting more. God's story is like this, a captivating epic that stretches from the beginning of time across our lives and into the future, calling us to find ourselves in it. We can help students to be captured by this amazing story rather than seeing the Bible as confusing, boring, or irrelevant. After ten years in youth ministry, Michael Novelli felt like he had tried everything to help his students connect with the Bible. Then a missionary introduced him to a unique, ancient way to engage people with the Bible through story. Michael learned the art of Storying, a sequential telling of Bible stories followed by a time of creative retelling and in-depth dialogue. God used this process to completely transform his youth group as they found themselves experiencing God in a whole new way. Take a journey into the amazing process of Storying and discover how it can change your life and ministry. This new approach to learning builds a lasting theological foundation while challenging students to discover their unique identity and calling in God's story. **Shaped by the Story** helps you understand why Storying connects with students today and provides all you need to introduce Storying to your group, including sample narratives and an interactive training DVD. **The Heart of the Story** Randy Frazee, 2017-01-03 *The Heart of the Story* lifted my chin, time and time again, reminding me to reckon God's
