

Prewriting

- Find an idea – it helps when the topic is interesting to you
- Use a brainstorming method to explore your topic
- Start researching your topic and find sources you can use in your writing

Drafting

- Create a preliminary outline to guide your writing
- Create your first draft following your outline
- Let the information flow – don't edit yourself or worry about technical details

Revising

- Examine your writing for overall flow – look at the document as a whole, its strengths and weaknesses
- Look at each paragraph – do they have topic sentences, supporting details, and concluding sentences?
- Check your use of outside sources – are you supporting your statements well?

Editing

- Look at and correct technical issues – grammar, punctuation, sentence structure, etc.
- Look for and replace overly repetitive phrases, sentences, or words
- Review your document carefully for clarity – does each sentence make sense?

Publishing

- Ensure that all revisions and edits have been made and your final draft is clean
- Check document formatting – does it meet the required formatting appropriately?
- Last, but not least - Submit your document!
