from Eden to the Renewed Earth Munther Isaac, 2015-10-14 The land is an important theme in the Bible It is a theme through which the whole biblical history found in the Old and New Testaments can be studied and analyzed Looking at the land in the Bible from its beginnings in the garden of Eden this publication approaches the theme from three distinct perspectives holiness the covenant and the kingdom Through careful analysis the author recognises that the land has been universalized in Christ as anticipated in the Old Testament and as a result promotes a missional theology of the land that underlines the social and territorial dimensions of redemption

The Servant King T. Desmond Alexander, 2003 We need to know who Jesus is But where can we turn to find out Many people look only to the New Testament for answers But reader of The Servant King will find that the Old Testament beginning with its very first pages paints a portrait of the Messiah the Saviour of the world where he will come from what he will be like and what he will do By the time we reach the New Testament much of the portrait has emerged so that the Jesus we encounter is not a stranger We are able to see like the first disciples that he is the Messiah already promised the Servant King With great skill Desmond Alexander helps us see the portrait's first brush strokes being laid down in Genesis and more being added as the Old Testament story unfolds Then as he guides us through the New Testament we discover how the portrait is completed revealing Jesus in all his glory This book brings the whole picture into view It helps us see who Jesus was where he stood in the plans of God and what he was sent to do If we read with care and faith The Servant King will help us enter the richness of God's Word and we will understand better not just who Jesus was but who he is today The Servant King is written with the sort of authority only a leading Old Testament specialist can command but its deep learning is not allowed to intrude and the book has all the charm and helpfulness of a piece of enthusiastic Bible study presented with freshness and accuracy Alec Motyer Trinity College Bristol T D Alexander PhD Queen's University Belfast is director of the Magee Institute for Christian Training at Union Theological College in Belfast Northern Ireland He is also the author of Paradise to the Promised Land
