Pinter At Sixty:

Pinter at Sixty Katherine H. Burkman, John L. Kundert-Gibbs, 1993 A major reassessment of the achievements of British playwright Harold Pinter by an international group of scholars

Pinter at Sixty Katherine H. Burkman, John L. Kundert-Gibbs, 1993 A major reassessment of the achievements of British playwright Harold Pinter by an international group of scholars

Pinter at Sixty in the Nineteen-nineties Richard Cave, 1995

The Cambridge Companion to Harold Pinter Peter Raby, 2009-03-19 Harold Pinter was one of the world's leading and most controversial writers and his impact and influence continues to grow This Companion examines the wide range of Pinter's work his writing for theatre radio television and screen and also his highly successful work as a director and actor Substantially updated and revised this second edition covers the many developments in Pinter's career since the publication of the first edition including his Nobel Prize for Literature win in 2005 his appearance in Samuel Beckett's play *Krapp's Last Tape* and recent productions of his plays Containing essays written by both academics and leading practitioners the volume places Pinter's writing within the critical and theatrical context of his time and considers its reception worldwide Including three new essays new production photographs five updated and revised chapters and an extended chronology the Companion provides fresh perspectives on Pinter's work

Harold Pinter's Politics Charles Grimes, 2005 Harold Pinter's Politics examines the expression of Pinter's political beliefs across every aspect and era of his artistic career The fierce political stances of this important dramatist have been embodied in plays screenplays and his career as a theatrical director Traditionally associated with absurdism minimalism and the dramatization of uncertainty Pinter's name is now a byword for anti-authoritarian and anti-American politics This transition has been in evidence from the earliest phases of his writing all of Pinter's work emerges from his political views His uniqueness as a political artist is that he is pessimistic about changing his audience or making it see its complicity in the horrors of the modern world These horrors are dramatized through images of torture and oppression culminating in moments of silence that index the full extent of the destruction unleashed by the forces of power against dissidence

Harold Pinter's The Dumb Waiter Mary F. Brewer, 2009 This collection of essays focuses on one of Harold Pinter's most popular and challenging plays *The Dumb Waiter* while addressing also a range of significant issues current in Pinter studies and which are applicable beyond this play The interesting and provocative dialogues between established and emerging scholars featured here provide close readings of *The Dumb Waiter* within relevant cultural and historical contexts and from a range of theoretical perspectives The essays range over issues of autobiography and theater genre studies and the impact of Pinter's political activism on his dramatic production among others The collection is also concerned with the meaning of the play when assessed against other examples of Pinter's work both dramatic and non-dramatic writing Each contributor shows a gift for presenting a complex argument in an accessible style making this book an important resource for a wide range of readers from undergraduates to postgraduates and specialist researchers The collection offers essays that

approach *The Dumb Waiter* from an interdisciplinary perspective and as both a literary and dramatic text. Thus the book should be of equal significance to those encountering Pinter within the context of English Studies drama and performance.

Pinter's World William Baker, 2018-09-15 *Pinter's World* Pinter and Company is not a full scale biography but a series of illuminating chapters about Pinter's life, character and thought, employing new information found in his Appointment Diaries, recent biographical sources such as Simon Gray's memoirs and Henry Woolf's reminiscences, in addition to personal discussions with several in Pinter's world. This book provides a fresh illumination of Pinter's life and art, his friendships, obsessions and concerns. Material is arranged around themes: key concerns, Pinter's activities, Pinter's meetings and endeavors, for instance, with whom he met and when, when he wrote what and when, and his perspective at the time are documented. This work explores Pinter's writing: drama, poetry, prose, journalism, and letters, which are here regarded as part of his aesthetic achievement. *Pinter's World* Pinter and Company presents a pointillist portrait of him through examining central concerns in his life. These encompass an obsession with the theater and games, delight in restaurants, demonstrating that Pinter is far removed from the socially awkward, isolated figures populating his early work, and the women in Pinter's world. Other areas examined include Pinter's political engagement from his adolescence to his last years, and the literary and other creative influences upon him. This work draws upon consultation of his papers at the British Library, including letters to others, especially close friends with whom he kept close contact for over half a century. These letters should be regarded on par with his other creative accomplishments. Pinter was a fascinating letter writer whose letters reveal thoughts at the time of writing, often in abrupt, most colorful, idiomatic language. His Appointment Diaries cannot reveal what actually occurred during his meetings, but they do provide a guide to what he did on a daily basis and whom he met. Memories from his friends, his professional colleagues, cricket players, and his second wife, Antonia Fraser, illuminate Pinter's personality and actions. Pinter's first literary love was poetry, and unlike most other Pinter studies, this one gives attention to his neglected poetic output that often reveals the real Pinter and the enigma that is at the heart of every great artist.

[The Best Books for Academic Libraries](#), 2002. Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers. **Pinter, the Player's Playwright** David T. Thompson, 1985. **Contemporary Literary Criticism** Tom Burns, Jeffery Hunter, 2004-07. Covers authors who are currently active or who died after December 31, 1959. Profiles novelists, poets, playwrights, and other creative and nonfiction writers by providing criticism taken from books, magazines, literary reviews, newspapers, and scholarly journals. *Mind the Gap* Craig N. Owens, 2003. *Essays in Poetics*, 1996. [British Playwrights, 1956-1995](#) William W. Demastes, 1996-10-23. Chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period. Entries include information such as biographical information, the production history for particular plays, a survey of the playwright's critical reception, and an assessment of the dramatist's work. [Journal of Dramatic Theory and Criticism](#), 2001. **Critical Survey of Drama: Jane**

Martin - Lennox Robinson Carl Edmund Rollyson, Frank Northen Magill, 2003 Combines updates and expands two earlier Salem Press reference sets Critical survey of drama Rev ed English language series published in 1994 and Critical survey of drama Foreign language series published in 1986 This new 8 vol set contains 602 essays of which 538 discuss individual dramatists and 64 cover broad overview topics The dramatist profiles contain more than 310 photographs and drawings

The Oxford Encyclopedia of British Literature David Scott Kastan, 2006 Volume 4 Modernism Percy Bysshe Shelley

The Plays of the Sixties Roger Cornish, 1985 British and Irish Dramatists Since World War II. John Stanley Bull, 2005 Embraces the work of writers working in theatrical traditions ranging from the classic well made play to the most radical avant garde pieces This variety is indicative of the fact that this period is one of the most important in British drama comparable to the late Elizabethan Jacobean and post Restoration eras in terms of the quantity and quality of new work and surpassing both of them in the sheer variety of theatrical offerings

MLA International Bibliography of Books and Articles on the Modern Languages and Literatures Modern Language Association of America, 1992 Vols for 1969 include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969

In the Sixties Ray Connolly, 1995
