Questioning God John Hopper, 2021-11-30 *Questioning God* John D. Caputo, Mark Dooley, Michael J. Scanlon, 2001 In 15 insightful essays Jacques Derrida and an international group of scholars of religion explore postmodern thinking about God and consider the nature of forgiveness in relation to the paradoxes of the gift Among the themes addressed by contributors are the possibilities of imagining God as unthinkable imagining God as non patriarchal imagining a return to Augustine and imagining an age in which praise is far more important than narrative Questioning God moves readers beyond the parameters of metaphysical reason and modernist rationality as it attempts to think the questions of God and forgiveness in a postmodernist context Contributors include John D Caputo Jacques Derrida Mark Dooley Francis Sch ssler Fiorenza Robert Gibbs Jean Greisch Kevin Hart Richard Kearney Cleo McNelly Kearns John Milbank Regina M Schwartz Michael J Scanlon and Graham Ward Indiana Series in the Philosophy of Religion Merold Westphal general editor *Questioning God* Timothy Radcliffe, Lukasz Popko, 2023-07-06 The interpretation of certain key texts in the Bible by two Dominican Friars the celebrated author Cardinal Timothy Radcliffe and Biblical scholar Lukasz Popko **Questioning God** HOWARD. MARTIN, 2025-09-24 Questioning God Asking the Right Questions What if the questions you ve been afraid to ask are the very keys to unlocking God s greatest blessings in your life Questioning God Asking the Right Questions is not just another book it s an invitation to step into a deeper dialogue with God yourself and the people around you From the very first page you ll discover that questions are not signs of weakness but sacred doorways to wisdom intimacy and transformation Through powerful chapters that explore why God asks us questions why we sometimes hold back from asking Him and how prayer faith and vision are shaped by the questions we dare to raise this book will guide you into a richer spiritual life You ll walk alongside biblical figures who found breakthrough by asking the right question at the right time and you ll uncover the subtle ways the enemy tries to silence your curiosity Blending Scripture practical wisdom and even scientific insights each chapter equips you to reclaim the freedom to ask boldly and faithfully What if the key to deeper faith stronger relationships and a more fulfilled life was not in having all the answers but in learning to ask the right questions Questioning God Asking the Right Questions invites you on a transformative journey into the power of why From the very first chapter you ll discover that God not only welcomes your questions but also asks His own of you questions that shape your faith refine your character and open the door to divine wisdom This is more than a study it s a journey into life courage clarity and communion with God Whether you long for a stronger marriage a more mature prayer life or simply the joy of living with holy curiosity Questioning God Asking the Right Questions will inspire you to seek to knock and to discover the blessings waiting on the other side The answers you ve been searching for are closer than you think if only you ll dare to ask the right questions Questioning God Robert Don Hughes, 2005 Questioning God uses realistic conversations with God to answer tough questions Grounded in the Bible this honest dialogue will stretch your thinking and inspire a deeper love for your Creator as you gain a better

understanding of who God is and what he is like What Are You Doing, God? Bo Ortego, 2021-02-23 Have you ever questioned God or wanted to? If so, this book is for you. Maybe it's because of a loss or tragedy. Maybe it's because everything around you seems to be going wrong. Maybe it's because everything you planned and hoped for has fallen apart. Perhaps it's because God isn't answering your prayers. Or maybe questioning God is the only thing you feel like you can do. Whatever the reason, most people have probably had a moment where they questioned or wanted to question God. During those times, what are we supposed to do? How do we move forward? While we may never get direct answers to our questions, God has given us something to help us navigate through those times when we find ourselves questioning Him: the biblical book of Habakkuk. It is a crucial part of the Bible that is all about questioning God. Why this book? The purpose of What Are You Doing, God? is simple: to help followers of God understand what God has left us through the book of Habakkuk. Bo Ortego will illuminate the timeless lessons and principles found within the pages of this biblical book. As a result, we can all be better equipped to navigate through the times when we face situations and circumstances that cause us to question God. The prayer for everyone who reads this work is that you leave understanding more about God, how great He truly is, and that He loved us enough to leave us this book of the Bible to assist us during the hardest and darkest moments of our lives.

Discussion Questions Included: I don't know a single Christian who doesn't want to stand victoriously over sin, evil, and our enemy. We want to declare them defeated and see God's power manifested in and through us. But almost no one wants to take the journey to get there. We all want the victory, but no one wants the trials. We all want the miracle, but no one wants to bear the cross. So often we love the ending but not the journey.

Quote from chapter 4: *Questioning God*, 2018-02-28 How old is the earth? Are there missing or lost books of the Bible? Is cremation wrong? Can a practicing homosexual be a Christian? Why am I here? Alton Williams' book Questioning God: Answering Your Major Questions About God, the Bible, and Christianity is written both for new and seasoned Christians with brief entries that encourage Bible study and discussion. It addresses such controversial topics as creation, the Bible, the Trinity, sin, salvation, hell, feminism, yoga, hip hop, and gangster rap, and more. If you have questions and who doesn't? Questioning God: Answering Your Major Questions About God, the Bible, and Christianity is an essential resource.

Questioning God John D. Caputo, Mark Dooley, Michael J. Scanlon, 2001 In 15 insightful essays Jacques Derrida and an international group of scholars of religion explore postmodern thinking about God and consider the nature of forgiveness in relation to the paradoxes of the gift. Among the themes addressed by contributors are the possibilities of imagining God as unthinkable, imagining God as non-patriarchal, imagining a return to Augustine, and imagining an age in which praise is far more important than narrative. Questioning God moves readers beyond the parameters of metaphysical reason and modernist rationality as it attempts to think the questions of God and forgiveness in a postmodernist context. Contributors include John D. Caputo, Jacques Derrida, Mark Dooley, Francis Schüssler Fiorenza, Robert Gibbs, Jean Greisch, Kevin Hart, Richard Kearney, Cleo McNelly Kearns, John Milbank, Regina M. Schwartz, Michael J. Scanlon.
