Ordinary Audrey:

Ordinary Audrey Peter Harris, David Runert, 2001 Concerning Ordinary People Sir George Stephenson Beeby, 1923

Our Magic Hour Jennifer Down, 2016-02-24 Audrey Katy and Adam have been friends since high school a decade of sneaky cigarettes drunken misadventures on Melbourne backstreets heart to hearts in jokes But now Katy has gone And without her Audrey is thrown off balance everything she thought she knew everything she believed was true is bent out of shape Audrey s family her neurotic mother her wayward teenage brother her uptight suburban sister are likely to fall apart Her boyfriend Nick tries to hold their relationship together And Audrey caught in the middle needs to find a reason to keep going when everything around her suddenly seems wrong Evocative and exquisitely written Our Magic Hour is a story of love loss and discovery Jennifer Down s remarkable debut novel captures that moment when being young and invincible gives way to being open and vulnerable when one terrible act changes a life forever Jennifer Down is a writer and editor whose work has appeared in publications including the Age Saturday Paper Australian Book Review and Overland She is one of Sydney Morning Herald s Young Novelists of the Year 2017 Our Magic Hour her debut novel was shortlisted for the 2014 Victorian Premier s Literary Award for an unpublished manuscript She lives in Melbourne Down s evocation of Audrey s grief is astute perceptive and always convincing It s compelling writing Australian Intimate raw and occasionally heartbreaking I loved this book Our Magic Hour is beautiful gut wrenching fiction and I cannot recommend it highly enough Readings Down has perfectly captured the vulnerability of youth An incredibly intimate and tender novel about friendship family and the transformative power of grief It is easily one of the best Australian debuts I ve read in a long time Lip Mag Down s novel is a story about very small things that all add up to very big things about grief and friendship love and death Down has an impressive feel for the drama of the ordinary Age Sydney Morning Herald Down has a reserved but beautiful prose In its maturity and elegance Our Magic Hour is a surprising and captivating debut novel I have no doubt that Down will produce more quality writing in the future Farrago Down s preoccupations are those of a young adult grappling with heavy issues and she does so admirably Our Magic Hour takes place in a lively vivid Melbourne cityscape Otago Daily Times Striking breathlessly written Down s clear and confident voice can play originally with language An eloquent debut WA Today Down s supple social realism has a vitality and energy to it I m sure that Down will be a fixture in the Australian lit scene for years to come Lifted Brow An impressive and emotionally sophisticated novel Australian Book Review Its depictions of the characters close friendships and the personalised map of Melbourne it draws were so vivid and so true that I found myself almost longing for the same despite the sadness at the heart of the book Readings Our Favourite Books of 2016 so far Subtle and vividly observed Our Magic Hour is a chronicle of early adulthood with all its violent unions and passionate friendships Down s work is universally important Overland Down s depiction of modern Melbourne is so familiar and evocative that I felt like I d bumped into her characters at the cafe just the day before For a book so infused with grief and longing the sheer amount of

love and depth of feeling in the novel made me yearn for everything and nothing all at once and has stayed with me throughout the year 2016 Staff Picks Kill Your Darlings If Helen Garner turned her razor sharp eye to a new generation Our Magic Hour might be the result Down unravels the self obsession and shortsightedness of youth with insight and affection and turns the grit of modern twenty something life breakups breakdowns new jobs and new towns into something profound beautiful and hopeful Junkee Down writes equally of significant moments and unremarkable days with sparing beauty Particularly adept at depiction of place Down made me wonder if I hadn t sat across from Audrey on the train to Redfern bumped elbows with her at a bar in Bondi Down is the kind of writer that you ll be lucky to get on at the ground floor with she is only going up Concrete Playground A raw novel about growing up in a world that never seems to make any sense this novel manages to neatly capture that universal malaise felt by terrified millennials all over the world Vice A masterclass in elegant understatement A very fine novel indeed compassionate clear sighted and lovely A Life in Books Down s prose is sharp and intimate the characters flawed and achingly familiar For a book about mourning it s not overly sentimental or indulgent Instead the characters grief is ugly and bewildering Our Magic Hour is a compelling authentic portrayal of loss dislocation and the unsteadiness of young adult life Good Reading **Keith's Magazine on Home Building** ,1901 *The Lost Imperial Seal* C. the mundane or with the help of Paul Di Filippo you can take a short meaningful break from it In the vein of George Saunders or Michael Chabon Di Filippo uses the tools of science fiction and the surreal to take a deep richly felt look at humanity His brand of funny quirky thoughtful fast moving heart warming brain bending stories exist across the entire spectrum of the fantastic from hard science fiction to satire to fantasy and on to horror delivering a riotously entertaining string of modern fables and stories from tomorrow now and anytime After you read Paul Di Filippo you ll no longer see everyday life quite the same The 17 stories in this collection allow us to encounter Salvador Dali stumbling through his own personalized afterlife experience the hilariously odd life of Hiram P Dottle from birth through death and on into several reincarnations gaze in wonder as a boy is born without a brain and his skull is invaded by wild animals and in the title story a professor of children s literature discovers a bizarre set of similarities between a lost text and his illicit relationship with one of his students
