Nat Turner Larry Slawson,2019-07-17 This eBook explores the life and legacy of Nat Turner leader of the 1831 slave rebellion in Southampton Virginia

Nat Turner's Rebellion John V. Quarstein,2023-04-21 Born in 1800 in Southampton County Virginia Nat Turner was one of millions of enslaved persons of African descent in the United States Encouraged to learn to read and write Turner immersed himself in the Bible and preached to his fellow slaves and others Believing he had received several signs from God about his mission to overthrow the yoke of slavery he organized the largest and bloodiest slave revolt in American history On the evening of August 21 1831 Turner and his closest followers descended on the farms and plantations in Southampton Freeing slaves and killing slave owning men women and children Turner s force grew to over sixty people The insurrection however was quickly and brutally put down by local militia after the deaths of fifty seven whites and over one hundred blacks The court ordered the execution of fifty six slaves acquitted fifteen and ordered the transportation of fourteen out of Virginia into slavery elsewhere Turner himself was not captured until October 30 tried on November 5 and hung on November 11 1831 Nat Turner s Rebellion brought the issue of slavery to the forefront of American politics with the Virginia General Assembly nearly ending the institution during its 1832 session New York and Great Britain outlawed slavery in 1834 while the need to resolve the slavery issue prompted a widespread expansion of abolitionism resulting in the end of slavery in the United States in 1865 In *Nat Turner s Rebellion* historian John V Quarstein weaves Nat Turner s own confession court records newspaper accounts official papers and his decade long work with the Southampton County Historical Society into a fresh portrayal of the causes and aftermath of the uprising Occurring thirty years before the Civil War Turner s actions gave greater focus to the antislavery movement that resulted in a divided nation war and the end to America s peculiar institution

Nat Turner and the Rising in Southampton County David F. Allmendinger Jr.,2014-11-01 A masterful study of one of the bloodiest slave rebellions in the history of the Old South In August 1831 in Southampton County Virginia Nat Turner led a bloody uprising that took the lives of some fifty five white people men women and children shocking the South Nearly as many black people all told perished in the rebellion and its aftermath *Nat Turner and the Rising in Southampton County* presents important new evidence about the violence and the community in which it

took place shedding light on the insurgents and victims and reinterpreting the most important account of that event The Confessions of Nat Turner Drawing upon largely untapped sources David F Allmendinger Jr reconstructs the lives of key individuals who were drawn into the uprising and shows how the history of certain white families and their slaves reaching back into the eighteenth century shaped the course of the rebellion Never before has anyone so patiently examined the extensive private and public sources relating to Southampton as does Allmendinger in this remarkable work He argues that the plan of rebellion originated in the mind of a single individual Nat Turner who concluded between 1822 and 1826 that his own masters intended to continue holding slaves into the next generation Turner specifically chose to attack households to which he and his followers had connections The book also offers a close analysis of his Confessions and the influence of Thomas R Gray who wrote down the original text in November 1831 The author draws new conclusions about Turner and Gray their different motives the authenticity of the confession and the introduction of terror as a tactic both in the rebellion and in its most revealing document Students of slavery the Old South and African American history will find in Nat Turner and the Rising in Southampton County an outstanding example of painstaking research and imaginative family and community history

The Confessions of Nat Turner Nat Turner,2020-08-19 Nat Turner was an enslaved African American who led a rebellion of slaves and free blacks in Southampton County Virginia in 1831 Turner s story inspired the controversial film Birth of a Nation The Confessions of Nat Turner is the primary document supporting historical events It is a first hand account of Turner s confessions to local lawyer Thomas Ruffian Gray while in prison awaiting execution

The Confessions of Nat Turner Thomas R Gray,Nat Turner,2019-08-22 Nat Turner is widely regarded as one of the most complex figures in American history and American literature October marks the anniversary both of his birth and of his arrest as the leader of one of the United States most famous slave rebellions Nat Turner was born October 2 1800 on a plantation in Southampton County Virginia Turner was deeply committed to his Christian faith and believed he received messages from God through visions and signs in nature When he was in his early 20s these signs led him to return to his master after an escape attempt Similarly a solar eclipse and an unusual atmospheric event are believed to have inspired his insurrection which began on August 21 1831 Nat Turner s rebellion was one of the bloodiest and most effective in American history It ignited a culture of fear in Virginia that eventually spread to the rest of the South and is said to have expedited the coming of the Civil War In the immediate aftermath of the rebellion however many Southern states including North Carolina tightened restrictions on African Americans Over the course of two days dozens of whites were killed as Turner s band of insurrectionists which eventually numbered over fifty moved systematically from plantation to plantation in Southampton County Most of the rebels were executed along with countless other African Americans who were suspected often without cause of participating in the conspiracy Nat Turner though eluded capture for over two months He hid in the Dismal Swamp area and was discovered accidentally by a hunter on October 30 He surrendered peacefully

his late owner on Sunday the thirtieth of October without attempting to make the slightest resistance and on the following day safely lodged in the jail of the County
