

National Interest

The Definition of National Interest is contested, traditionally National Interest more like a Realist concept and based on power and interest.

Its a vague and subjective term, that can be exploited easily.

- The meaning of national interest is survival—the protection of physical, political and cultural identity against encroachments by other nation-states. **Hans J. Morgenthau**
- The goal that might be pursued by nations in their foreign policy can run the gamut of objectives any nation has ever pursued or might possibly pursue. **V Dyke**
- National Interest is the political tradition & the total cultural context within which a nation formulates its foreign policy. **Hans J. Morgenthau**
- National Interests can as defined as the claims, objectives, goals, demands and interests which a nation always tries to preserve, protect, defend and secure in relations with other nations.
