Native Soul:

Native Wisdom for White Minds Anne Wilson Schaef, 1995-09-05 You don't have to be white to have a white mind. What is a white mind? As Anne Wilson Schaef learned during her travels throughout the world among Native Peoples, anyone raised in modern Western society or by Western culture can have a white mind. White minds are trapped in a closed system of thinking that sees life in black and white either/or terms; they are hierarchical and mechanistic; they see nature as a force to be tamed and people as objects to be controlled with no regard for the future. This worldview is not shared by most Native Peoples, and in this provocative book, Anne Wilson Schaef shares the richness poured out to her by Native Americans, Aborigines, Africans, Maoris, and others. In the words of Native Peoples themselves, we come to understand Native ideas about our earth, spirituality, family, work, loneliness, and change. For in every area of our lives, we have the capacity to transcend our white minds; we simply need to listen with open hearts and open minds to other voices, other perceptions, other cultures. Anne Wilson Schaef often heard Elders from a wide variety of Native Peoples say, "Our legends tell us that a time will come when our wisdom and way of living will be necessary to save the planet, and that time is now." Anyone ready to move from feeling separate to a profound sense of connectedness from the personal to the global will find the path in this mind-expanding, deeply spiritual book.

Kindling the Native Spirit Denise Linn, 2015-11-03 *Kindling the Native Spirit* reveals secrets to enhance your connection to the mysterious forces around you. It's a mystic map that guides the way for you to follow in the footsteps of the wise ones who have gone before you. And in a deeper way, it ignites the majestic native soul that dwells within you, which in turn reestablishes your relationship to the sacred whole. Denise Linn, a member of the Cherokee Nation, has gleaned wisdom from tribal traditions around the world, including the Zulu in Africa, the Maori in New Zealand, the Aborigines of Australia, and various Native American tribes in North America, along with other indigenous cultures. In this groundbreaking book, she shares specific methods to open gateways to mystical encounters and the knowledge that enables you to activate ancient healing practices in your present-day life. You'll learn how to discover your true name, determine your animal ally, embark on sacred spirit journeys, and experience vision quests. In addition, there are step-by-step instructions on how to make a rattle, dream catcher, spirit stick, prayer feather, and your own medicine bag. Denise also shares little-known methods to shape-shift, tap into your ability to call animals, plants, and Spirit, invite the power of the guardians of the four directions, gain protection from your ancestors, spend time with the little people, utilize the power of earthing to bring wholeness, and much more. Ignite your native spirit within and enter a wondrous realm of profound visionary experiences.
