Native American Religious Action A Performance Approach To Religion:

Native American Religious Action Sam D. Gill, 1987 *The Notion of "religion" in Comparative Research* Ugo Bianchi, 1994 Nel 1990 si tenne a Roma il XVI Congresso del I A H R che ebbe come tema la nozione di religione Venne particolarmente analizzato l'uso di tale termine da parte degli studiosi di lingua europea nei rapporti con le culture non europee e viceversa *Understanding Your Students' Religions* Liz Wilson, Michael Nichols, Peter W. Williams, 2025-06-16 This concise guide helps educators understand the diverse religious practices that shape students' school and home lives Using an encyclopedia-like structure the authors provide short histories and other essential information on a wide variety of religions as well as atheist practices Each chapter covers origins beliefs practices and common misunderstandings and stereotypes as well as key holidays religious dress and dietary restrictions that can be accommodated in school This book will help educators avoid stumbling over stereotypes so they can better engage students and their families and foster culturally responsive classrooms Teachers of all grade levels will come away feeling more confident about identifying areas of cultural and religious practice where support for your students may be needed You will also have the tools to recognize the diversity of religious and cultural practices that students bring to the classroom and to see that unfamiliar religious and cultural practices are assets to be cultivated and not signs of deficiency **Dancing Culture Religion** Sam Gill, 2012-08-03 In this provocative study of dancing Sam Gill examines the interpretive styles of a variety of cultural dance traditions in discourse with the philosophic traditions of Schiller Merleau-Ponty Barabara Derrida Leroi Gourhan and Baudrillard As a scholar of religion Gill provides special consideration to the importance of this emerging appreciation of dancing as a perspective inclusive of body and experience Each chapter delves into the many facets of dancing moving gesturing self-othering playing seducing and masking Gill also draws on the analysis of contemporary dance films and musicals his experience as a dancer and dance teacher his extensive research on dance traditions and his interest in neurobiology and phenomenology to develop the core of this rich exploration of dancing the structurality of all dances **Christ Is a Native American** Achiel Peelman, 2006-03-14 During his 1984 visit to Canada Pope John Paul II declared Christ in the members of his body is himself Indian Who is this native Christ What is his place in the spiritual universe of native people Achiel Peelman examines these questions in this timely and groundbreaking book which is the result of research he has carried out since 1982 in native communities across Canada While Peelman's book is a work of theology and Christology it is also a work of profound friendship that will help its readers know more deeply the Amerindian experience *Religion and Everyday Life and Culture* Vincent F. Biondo, Richard D. Hecht, 2010-03-25 This intriguing three-volume set explores the ways in which religion is bound to the practice of daily life and how daily life is bound to religion In *Religion and Everyday Life and Culture* 36 international scholars describe the impact of religious practices around the world using rich examples drawn from personal observation Instead of repeating generalizations about what religion should mean these volumes examine how religions actually influence

our public and private lives on the ground on a day to day basis Volume one introduces regional histories of the world s religions and discusses major ritual practices such as the Catholic Mass and the Islamic pilgrimage to Mecca Volume two examines themes that will help readers understand how religions interact with the practices of public life describing the ways religions influence government education criminal justice economy technology and the environment Volume three takes up themes that are central to how religions are realized in the practices of individuals In these essays readers meet a shaman healer in South Africa laugh with Buddhist monks sing with Bob Dylan cheer for Australian rugby and explore Chicana and Iranian art
