## **Pope Print And Meaning:**

Pope, Print, and Meaning J. McLaverty, 2001 Pope's fascination with print with annotations illustrations parallel texts title pages revisions shapes this reading of his work The book offers fresh insights into Pope's self presentation and his relation to his readers he emerges as a figure marginalized socially politically and sexually who gambles with his private life in confronting his opponents *Memory, Print, and Gender in England, 1653-1759* H. Weber, 2016-04-30 This book surveys the genesis of the modern conception of memory where gender becomes crucial to the processes of memorialization and suggests ways in which technology opens a new chapter in the history of memory **Print, Visuality, and Gender in Eighteenth-century Satire** Katherine Mannheimer, 2011 This study interprets eighteenth century satire's famous typographical obsession as a fraught response to the Enlightenment's ocularcentric epistemological paradigms and to a print cultural moment identified by book historians as increasingly visual As the first to pay widespread attention to format layout and visual advertising strategies The Augustans were convinced of the ability of their texts to function as a kind of optical machinery rivaling that of the New Science enhancing readers physical and moral vision while at the same time they feared the dangers of an overly scrutinizing gaze as one that might undermine the viewer's natural faculty for candor sympathy delight and desire Mannheimer studies this distrust of the empirical gaze and its applications in print to the inherent gender politics and broader ethical concerns of ocularcentrism in the works of Montagu Swift Pope and Fielding These writers sought to ensure that print itself never became either a mere tool of or an inert object for the gaze but rather that it remained a dynamic and interactive medium by which readers could learn both to see and to see themselves seeing

**Literary Authority** Claude Willan, 2023-03-07 This book is the cultural history of an idea which now seems so self evident as barely to be worth stating through writing imaginative literature an author can accrue significant and lasting economic and cultural power We take for granted now that authority dwells in literature and in being its author This state of affairs was not naturally occurring but deliberately invented This book tells the story of that invention The story's central figures are Alexander Pope and Samuel Johnson But its narrative begins in the 1680s with the last gasp of the bond linking literary to political authority While Jacobite poets celebrated and mourned the Stuart dynasty Whig writers traced the philosophical and aesthetic consequences of the accession of William of Orange Both groups left behind sets of literary devices ready made to confer and validate authority Claude Willan challenges the continued reign of the Scriblerian model of the period and shows how that reign was engineered In so doing he historicizes the relationship between good and bad writing and suggests how we might think about literature and beauty had Pope and Johnson not taken literary authority for themselves What might literature have looked like and what could we use it for he provocatively asks The Papers of a Critic: Memoir. Pope's writings. Lady Mary Wortley Montagu. Swift, &c Charles Wentworth Dilke, 1875 **Notes and Queries**, 1896 **The Works of Alexander Pope** Alexander Pope, 1871 **The Scriblerian and the Kit-Cats**, 2004

The Works of Alexander Pope. Including ... Unpublished Letters and Other New Materials. Collected in Part by the Late Rt. Hon. J.W. Croker. With Introduction and Notes by ... Whitwell Elwin [and W.J. Courthope. The Life of Pope. By W.J. Courthope.] ... With Portraits and Other Illustrations Alexander Pope,1871     **Pope Amongst the Satirists, 1660-1750** Brean S. Hammond,2005 Accessible to undergraduates and general readers as well as scholars this book studies the Golden Age of satire in the period 1660 1750 its dominant literary forms and its outstanding practitioners     **The Works of Alexander Pope** Pope,1872     The Works of Alexander Pope: Correspondence Alexander Pope,1872     **The Works of Alexander Pope: Poetry** Alexander Pope,1881     **Haarlem the Birth-place of Printing, Not Mentz** Jan H.
