## **Pops Secret:**

**Hidden so Deep** Stone Spicer,2016-03-19 A weekend adventure on a remote island in the middle of Kaneohe Bay is shattered by an audacious midnight theft of a boat Just as Kensington Stone manages to organize an all island search Teri White Stones partner receives an urgent phone call from Pops Their friend and Pops daughter Viane Koa has disappeared while hiking on the Island of Hawaii and the only clues they have are a pickup truck that had been hot wired and a hiking hat found far off trail on the slopes of Mauna Loa Stone and Teris instincts to help become necessarily divided on one hand they want to help their friend find his boat feeling somewhat responsible for his loss but on the other hand locating Viane is of primary and utter urgency While the search for the missing boat and for Viane advance and gains footing a sudden earthquake rolls across the Big Island pushing Viane closer to certain death

**John Williams** Tim Greiving,2025-08-01 The first biography of a great American composer of the cinema age John Williams is one of the most important film composers of all time having almost singlehandedly revived the Hollywood symphonic scoring tradition and helped restore the livelihood of American orchestras through the popularity of film music programming His film music in the words of director Oliver Stone came to stand for the American culture In *John Williams A Composer s Life* the first biography of the composer author Tim Greiving offers an engaging account of a man whose body of work is well known but whose personal life has consistently remained very private Williams wrote the memorable scores and hummable themes for a staggering number of popular touchstones across multiple generations among them Star Wars Indiana Jones Jaws E T Jurassic Park Schindler s List and the Harry Potter series and earned more Oscar nominations than any individual artist in the history of the motion picture Academy He also composed dozens of concerti fanfares and other concert works and was a national presence as music director of the Boston Pops for more than a decade He inspired countless children to pursue a career in the orchestra and won the respect of the classical community worldwide Seeking to understand what drove Williams s musical productivity and its effects on the lives of those close to him Greiving delves deeply into the composer s decades long career uncovering countless new stories and revelations Throughout he analyzes and describes Williams film scores recalling them primarily in narrative and emotional terms rather than purely musicological ones and in doing so emphasizes one of Williams s principle strengths his musical storytelling With unprecedented interview access to Williams and those close to him Greiving presents the definitive portrait of a beloved but famously private doyen of twentieth century pop culture Featuring 175 exclusive interviews including with Steven Spielberg Oliver Stone George Miller Mia Farrow Hans Zimmer Yo Yo Ma session musicians family members and friends *John Williams A Composer s Life* is the first and last word on the great court composer of the cinema age the musical conductor of our collective memory

**Industrial Evolution** Warren Murphy,Richard Sapir,2023-12-11 Guess who s coming to dinner Take a couple of techno geniuses on the wrong side of the law add a politician so corrupt his quest for the presidency is quite promising then throw in a secret civilization of freaky subterranean

dweller who hasn't seen daylight in a long time it all adds up to one big pain for Remo. It's not as if he doesn't have enough problems with Chiun or with CURE yanking his chain at every turn. But a diabolical father-son team of uber inventors are now self-styled gods of the Mole People, turning a network of abandoned mines into an underground city thanks to an army of albino cannibals and truckloads of unsuspecting slave labour from terra firma. Sure, the Destroyer has taken on fetid flesh-eating monsters and smart-ass psychos before, but now there's a bigger threat looming within the House of Sinanju, something impossible, unthinkable, and disastrously real. Breathlessly action-packed and boasting a winning combination of thrills, humour, and mysticism, the Destroyer is one of the bestselling series of all time. **Eclipse of Evil** A.B.N.

Dawn, 2005-12-01 Why is backward Millstone village squeezed in a valley of New Mexico's Sacramento Mountains, ostracized from neighbor towns? Why do villagers stare like mummies, doomed to mindless terror? Why do they shun stunning Silver Lake, gorged with trout? Are ghostly rumors products of superstition and ignorance, or is a diabolical recluse linked to sinister crimes? Such questions haunt three vacationing college freshmen and test their integrity. Events emotionally, mystically, and dangerously bind them to a mysterious loner whom they gallantly, perhaps foolishly, strive to vindicate. In their struggle, they uncover the truth hidden behind a fog of mystical power and hatred and become entangled in a snare of sinister events and confusing leads. They must consider the emotional instability and supernatural powers of the old recluse. They must consider the motives of a beautiful Apache woman who seems to match the paranormal abilities and apparent generous nature of the loner. They cannot ignore a shifty sheriff who bends the law and covers evil deeds. They cannot overlook the remnants of a dissolved cult in the old fishing lodge where they are staying, nor can they disregard old Stella, who uses her status and magicians' tricks to wield power over Millstone folk. In their struggle to redeem good, the three friends honor faith and courage, are severely tried by subversive evil. The dichotomous clash escalates from sorrow to betrayal to tragedy to ultimate triumph. **The Global Impact of South Korean Popular Culture** Valentina Marinescu, 2014-09-24

This volume fills a gap in the existing literature and proposes an interdisciplinary and multicultural comparative approach to the impact of Hallyu worldwide. The contributors analyze the spread of South Korean popular products from different perspectives: popular culture, sociology, anthropology, linguistics, and from different geographical locations: Asia, Europe, North America, and South America. The contributors come from a variety of countries: UK, Japan, Argentina, Poland, Bulgaria, Czech Republic, Indonesia, USA, Romania. The volume is divided into three sections and twelve chapters that each bring a new perspective on the main topic. This emphasizes the impact of Hallyu and draws real and imaginary maps of the export of South Korean cultural products. Starting from the theoretical backgrounds offered by the existing literature, each chapter presents the impact of Hallyu in a particular country. This applied character does not exclude transnational comparisons or critical interrogations about the future development of the phenomenon. All authors are speaking about their own native cultures. This inside perspective adds an important value to the understanding of the impact of a different culture on the national culture of each

respective country The contributions to this volume illustrate the globalization of the cultural products of Hallyu and show the various faces of Hallyu around the world
