Marilyn The Last Years:

The Final Years of Marilyn Monroe Keith Badman, 2012-06-21 This extraordinary account of the superstar's tragic death and what led up to it is a relentless and detailed quest for the truth. Lancashire Post In his illuminating fascinating book Keith Badman finally uncovers the truth about the iconic actress's last years. It was a tough time, one in which Marilyn Monroe's increasingly erratic behavior and dependence on alcohol and medication plunged her glittering movie career into drastic decline. Meticulously researched, the book reveals precisely how Monroe died at just thirty-six years of age and shines a light on the suspicious delays on the night of her overdose, delays that indicate a cover-up. He discovers new details about her rekindled relationship with Joe DiMaggio and the horrendous weekend she spent at Frank Sinatra's Cal Neva lodge, as well as why Fox refused to let her finish her final movie, *Something's Got to Give*, and her distress at being imprisoned at the Payne Whitney psychiatric hospital. Drawing on private, previously unpublished itineraries and original eyewitness accounts, Badman sheds new light on Marilyn's involvement with John and Bobby Kennedy and ends a six-decade-old mystery by telling the precise date of her first encounter with the president. *The Final Years of Marilyn Monroe* features a deluge of stories of which even die-hard fans will be unaware. A nearly day-by-day account of her life from June 1961 to her death in August 1962. Kirkus Reviews Includes photos.

The Last Days of Marilyn Monroe Donald H. Wolfe, 2012-07-31 Marilyn Monroe's death has been shrouded in decades of deception, conspiracy, and lies. Donald H. Wolfe has written a startling portrait of the twentieth century's greatest film star that not only redefines her place in entertainment history but also reveals the secret conspiracy that surrounded her last days. In *The Last Days of Marilyn Monroe*, Wolfe confirms that the tragic actress was a homicide victim. He documents the mode of death and names those involved and those who participated in the cover-up. Filled with documented revelations, eye-opening information about the dark secret in Marilyn's relationship with John and Robert Kennedy, and shocking details about the many bizarre events that took place at Marilyn's home the day she died, Donald H. Wolfe's remarkable book is the culmination of more than seven years of research. It will change forever the way we view the life and death of this great star.

Marilyn Monroe Keith Badman, 2012-07-17 Traces the final two years of the iconic star's life, offering insight into the true nature of her relationship with JFK, her actual paternity, her brutal incarceration at a mental asylum, and her sexual exploitation by mobsters.

Marilyn Monroe: The Last Interview Sady Doyle, 2020-10-06 I'm so many people. They shock me sometimes. I wish I was just me. Marilyn Monroe. Nearly sixty years after her death, Marilyn Monroe remains an icon whom everyone loves but no one really knows. The conversations gathered here, spanning her emergence on the Hollywood scene to just days before her death at age 36, show Monroe at her sharpest and most insightful on the thorny topics of ambition, fame, femininity, desire, and more. Together with an introduction by Sady Doyle, these pieces reveal yet another Marilyn: not the tragic heroine she's become in the popular imagination, but a righteously and justifiably angry figure breaking free of the limitations the world forced on her.

Diseases, Disorders and Diagnoses of Historical Individuals William J. Maloney,2015-08 Oftentimes people look at famous individuals and think that such people are exempt from the physical limitations that bind us all as humans Unfortunately many times celebrities themselves think this is true A stark reminder of this is the effects of substance misuse that have claimed the lives of too many young otherwise healthy luminaries in the prime of their lives This book provides a background on each disorder or disease and in so doing shows the real humanity of the individual Such is the case with baseball icon Lou Gehrig who was newly diagnosed with ALS but truthfully believed that he was still the luckiest man on the face of the Earth Little known facts are provided which enables the reader to feel like the subject has come alive as a real fleshandblood person from the pages of a history book A never before seen letter from General George Patton is presented In this letter General Patton describes the author s uncle as brave Why did Patton have a near obsession with bravery both that of his soldiers and himself Was it because of the fear and humiliation which Patton himself spent a lifetime overcoming as a result of his dyslexia
