God in Action Chuck Christensen, 1972 Mark's Gospel: An Actological Reading Malcolm Torry, 2022-05-19 This might look like an ordinary commentary on Mark s Gospel but it isn t one It understands reality as Action actions change diversity movement and the dynamic rather than as Being beings the unchanging the unitary rest and the static and it reads Mark s Gospel in the light of that distinctive understanding of reality It is all about action change and diversity and it understands God Jesus and ourselves as action change and diversity The initial chapter introduces the action based understanding of reality as action in changing patterns an actology rather than an ontology Then follows a section by section close study of the Gospel The result is a unique and somewhat unexpected reading of the text and a distinctive theology to match

Following God Through Mark Ira Brent Driggers, 2007-01-01 Ira Brent Driggers examines the character of God as portrayed in the Gospel of Mark paying particular attention to the way God factors into the unfolding conflict between Jesus and his disciples Arguing that Mark depicts God as acting in two logically opposite ways both independently of Jesus as a distinct character and through Jesus possessing him from his baptism he adds a level of complexity to Mark s portrayal of Jesus and sheds new light on the most enigmatic feature of Mark s narrative the consistent and troubling misunderstanding of the disciples **Mark** Alton Whitman Greenlaw, 1999 **Theology of the Gospel of Mark** Paul L. Danove, 2019-11-28 Paul L Danove presents the first full length study of God and the theology of God in the Gospel of Mark In dialogue with scholars who assume that texts are designed to guide their own interpretation Danove develops and applies methods of analysis to describe the actions and attributes of God in the Gospel of Mark Danove presents his argument in a threefold structure beginning with outlining a set of complementary semantic narrative and rhetorical methods for investigating characterization He then moves to examine the semantic and narrative content related to the character of God in the Gospel of Mark and then formulates this information under the guidance of the narrative rhetoric into statements of God s fifty six repeated and sixty two non repeated actions and attributes arranged according to God s portrayal as semantic agent benefactive content of human experience experiencer goal instrument patient of predication source theme and topic of faith

The Theological Role of Paradox in the Gospel of Mark Laura C. Sweat, 2013-10-10 Scholarship on the Gospel of Mark has long been convinced of the paradoxical description of two of its primary themes christology and discipleship This book argues

that paradoxical language pervades the entire narrative and that it serves a theological purpose in describing God's activity. Part One focuses on divine action present in Mark 4:10-12. In the first paradox, Mark portrays God's revelatory acts as consistently accompanied by concealment. The second paradox is shown in the various ways in which divine action confirms yet counters scripture. Finally, Mark describes God's actions in ways that indicate both wastefulness and goodness, deeds that are further illuminated by the ongoing yet defeated presence of evil. Part Two demonstrates that this paradoxical language is widely attested across Mark's passion narrative as he continues to depict God's activity with the use of the three paradoxes observed in Mark 4. Through paradoxical narrative, Mark emphasizes God's transcendence and presence, showing that even though Jesus has brought revelation, a complete understanding of God remains tantalizingly out of their grasp until the eschaton (4:22).

The Life with God Bible NRSV--Old Testament Renovare, Richard J. Foster, Dallas Willard, Walter Brueggemann, Eugene H. Peterson, Bruce Demarest, Evan Howard, James Earl Massey, Catherine Taylor, 2010-07-06. The Life with God Bible combines the depth of a study Bible with the warmth of a devotional Bible, offering a new way to discover the full riches of the Scriptures. According to Richard Foster, bestselling author and the project's editor, the Bible is all about human life with God. As we read Scripture, we should consider how God is with us in each story and allow ourselves to be spiritually transformed. Many people are looking for a new way to read the Bible, not as a text to be mastered but as a story to enter into and a lifestyle to pursue. This unique Bible, previously published as *The Renovare Spiritual Formation Bible* and spearheaded by bestselling authors Richard Foster, *Celebration of Discipline*, and Dallas Willard, *The Divine Conspiracy*, introduces the concept of life with God, or the with-God life, a model for seeing the whole of Scripture as the unfolding story of God's plan for our loving relationship with the Creator. This central theme weaves throughout the essays, introductions, notes, and exercises, powerfully revealing how God is present to his people today and throughout history. Yet our relationship with God should not be passive. Concrete practices, spiritual disciplines, have been used throughout church history to guide disciples of Jesus. This Bible integrates the spiritual disciplines into the Christian life by showing how they are central to the Bible's teachings and stories. Abraham and Ruth, Moses and Deborah, Jesus and the disciples, all provide amazing examples of the life-changing power of prayer, worship, fasting, celebration, and many other spiritual disciplines. Scripture thus becomes a primary means for the discovery, instruction, and practice of these disciplines, as well as a tool for spiritual formation. Combining the highest possible biblical scholarship with the deepest possible heart devotion, this new Bible project seeks to nourish inner transformation by unlocking and revealing the profound resources within Scripture for changing our hearts and characters and bringing them in line with what God wants for our lives. The Life with God Bible will redefine what the Bible means for Christian discipleship.

work and active Follow Dr Jeremiah through the gospel of Mark in a chapter by chapter study that will help you understand what it meant to the people at the time it was written and what it means to Christians today Mark s gospel was likely the first written record of the life of Jesus Christ and it s full of energy and action The word immediately appears so often in the text that it s hard not to get caught up in the pace of the narrative as Jesus moves to establish his kingdom in a way that was completely unanticipated However Mark also begins his account with words from Isaiah the prophet making it immediately clear that had the religious leaders of the time been paying attention they might have been a little more prepared for the arrival of the Messiah and for everything that happened next Each of this study s twelve lessons is clearly organized to include Getting Started An opening question to introduce you to the lesson Setting the Stage A short reflection to explain the context of the study Exploring the Text The Scripture reading for the lesson with related study questions Reviewing the Story Questions to help you identify key points in the reading Applying the Message Questions to help you apply the key ideas to their lives Reflecting on the Meaning A closing reflection on the key teachings in the lesson ABOUT THE SERIES The Jeremiah Bible Study Series captures Dr David Jeremiah s forty plus years of commitment in teaching the Word of God In each study you ll gain insights into the text identify key stories and themes and be challenged to apply the truths you uncover to your life By the end of each study you ll come away with a clear and memorable understanding of that Bible book Each study also contains a Leader s Guide
