Matt Redmanthe Fathers Song:

Congregational Music-Making and Community in a Mediated Age Anna E. Nekola, Tom Wagner, 2016-05-23

Congregational music can be an act of praise a vehicle for theology an action of embodied community as well as a means to a divine encounter This multidisciplinary anthology approaches congregational music as media in the widest sense as a multivalent communication action with technological commercial political ideological and theological implications where processes of mediated communication produce shared worlds and beliefs Bringing together a range of voices promoting dialogue across a range of disciplines each author approaches the topic of congregational music from his or her own perspective facilitating cross disciplinary connections while also showcasing a diversity of outlooks on the roles that music and media play in Christian experience The authors break important new ground in understanding the ways that music media and religious belief and praxis become lived theology in our media age revealing the rich and diverse ways that people are living experiencing and negotiating faith and community through music

A Few Thoughts From Dad Kip

Jackson, 2022-12-20 As a normal overcommitted father of an active intelligent and beautiful daughter I too often didn't get around to saying many of the things that really needed to be said or the many things that I really didn't know how to say Even those things that were important to talk about but I just could never find the right time to talk about them Then there are those things that I really tried to talk about but for some reason I realize I didn't communicate it well enough So I hope this book will help to pick up those pieces or make up for those deficits and give you some insight into the heart of your father and why we do the things we do I pray this will end up being a treasure for you as you get to know a side of your father that maybe you didn't know before I hope it will be an encouragement for you to know just how much I really have always loved you even when I didn't know how to say it or didn't do a good enough job at showing it I hope it will become a practical resource or a reference manual for you as you live your life and if you need to know what to do in certain circumstances or what we as a family believe or have done in the past I hope it might even be a means of finally answering that number one question you and your siblings always had as you were growing up WHY It might even give you an opportunity to stop and have an occasion for a good thought or memory Then too if this ends up having a bigger value than just me taking time to talk with my daughter and it lives beyond to my grandchildren or if it turns out to be a help to other fathers to share those important points of love and concern for their daughters that will just be amazing That would then go on to prove that we fathers have more in common than we might have first thought All of us struggle with knowing what and how to say what needs to be said to that little girl who since the first moment we saw her has had her little fingers wrapped so tightly around our heart the one we would so quickly give our life for but have such a hard time trying to communicate that with To my daughter please read this one section at a time as if you and I were sitting down and I just said By the way I've been wanting to talk to you about Then read one section at a time and please hear my heart and how much I love you in

each thought Then using the margin on each page or you might want to use a journal to write down questions thoughts memories or any song that that section might bring to mind That way you can go back and think about it later or pray about or maybe we can discuss them further when we go through each section together If this was to be helpful for another father out there I could see you using it as a devotional to go through with your teenage daughter on through adulthood and then you could personalize those memories I have into one that would be meaningful for you and your daughter or you could read it together over the phone or rewrite a section at a time in a letter changing it to be what you would say to your daughter As you are going through this read the passages laugh at the funny stories read the quotes the antics the poems and listen to the songs that are mentioned It s all part of trying to communicate the What How and Why we do what we do as well as the way we believe So take whatever time you need to go through all my thoughts and feelings page by page point by point and I hope and pray that my heart will be heard clearly through all that is said If you were to ask me what this was all about or how I would summarize this book I would have to say it is a father s attempt to communicate to my grown daughter how much I Love you I Believe in you and I want you to be safe It s also a means of sharing my heart and soul with you and trying to explain why I do and believe the way I do All of this is in the hopes that you will not just understand but also take to heart the beliefs whys and hows that make our family I believe in many ways unique that by having a real living and growing relationship with Jesus Christ as the center of everything and just knowing that He loves you so much too I love you Dad 5
