## **Russian And Soviet Imperialism:**

Russian and Soviet Imperialism James Foote, 1972      *Russian Imperialism* Ariel Cohen, 1996-08-23 The fall of the Soviet Union was one of the most dramatic events of this century It was also one of the most surprising Evidence of the USSR s impending fall was abundantly available both in theory in the writings on empires and on the ground Yet prior to its downfall the very profession that specialized in the study of the Soviet Union held no consensus that the USSR was an empire to begin with Perhaps because many Sovietologists neglected its status as an empire most Americans were taken completely by surprise when the USSR began its precipitous collapse under Mikhail Gorbachev This book subjects the Soviet Union as an empire to systematic scrutiny using tools and methods at the disposal of modern political science Foreign policy specialists defense experts and Russian area analysts will find this book essential The book is also recommended for undergraduate and graduate courses in Russian and Soviet history and the study of empires      *Soviet Imperialism* Waldemar Gurian, 1953

*Soviet Russian Imperialism* Victor S. Mamatey, 1964 Brief survey of the evolution of Soviet rule over many people of Europe and Asia and prospects for the future by a University of Florida historian      **Russian Imperialism** Dietrich Geyer, 1987-01-01 This book offers a fresh and stimulating analysis of the often elusive relationship between domestic and foreign policy in Russia before the First World War Dietrich Geyer one of Germany s leading historians of Russia discusses a wide variety of economic fiscal institutional and ideological developments within imperial Russia In so doing he brings into sharp relief the difficulties faced by the ruling elites in maintaining Russia s great power position in Europe the Near East and the Far East Now available in English for the first time this widely acclaimed book will be welcomed as an indispensable resource by all those who were unable to read the original German edition By far the most perceptive knowledgeable and intelligent work on the last half century of imperial Russia in print Theodore H Von Laue *Russian History* This important tightly packed book analyzes the basic problems of Russian imperialism thoroughly and with enormous erudition Scholars concerned with imperialism and Russian domestic and foreign problems will welcome this thought provoking work David MacKenzie *American Historical Review* A convincing and important analysis of the mutual dependence of autocratic domestic and foreign politics This book ought to be the occasion for a renewed and wide discussion of Russian imperialism and should give rise to further studies of the question Alan Kimball *Slavic Review* This is a remarkably good book Good in many respects quality of research and writing breadth of view command of the facts balance and penetration in judgment familiarity with relevant theory The book represents a revived and deepened historicism Paul W Schroeder *Journal of Modern History*

*Soviet Historians and the Study of Russian Imperialism* George M. Enteen, Tatiana Gorn, Cheryl Kern, C. A. Kern-Simirenko, 1979      **Comparative Perspectives on Imperialism and Empire in Late Imperial Russia** Moritz Deutschmann, 2011-01-12 Essay from the year 2009 in the subject History of Europe Modern Times Absolutism Industrialization European University Institute Department of History Florenz language English abstract There are few topics

that have been as present in post Soviet histories as empire and its aftermath Tales of century long Russia oppression have become core elements of many historical narratives in the former Soviet republics In Western European scholarship concepts from imperial history and post colonial studies have had a big influence on the historiography of Russia and the Soviet Union However these are recent phenomena in most histories of Russia written in Russia or the Soviet Union itself as well as in the West before 1991 empire has been left out to an astonishing degree Only for the Soviet Union the so called nationality question was a larger topic appearing in Soviet praise for the friendship of the peoples or condemnation of anti Soviet nationalism and Great Russian chauvinism This essay picks up on some of these issues and looks at how various scholars interested in the imperial aspects of Russian history have put them into a comparative perspective Although the number of works is still limited especially compared to the huge number of studies on different Western European empires it is possible to draw some general conclusions This will also be helpful in considering to what extent Russian experiences could reflect back on more general theories of empire or post colonial studies

**Putin's Wars** Marcel H. Van Herpen, 2014-02-27 This book offers the first systematic analysis of Putin's two wars placing the Second Chechen War and the War with Georgia of 2008 in their broader historical contexts Drawing on extensive original Russian sources Marcel H Van Herpen analyzes in detail how Putin's wars were prepared and conducted and why they led to allegations of war crimes and genocide He shows how the conflicts functioned to consolidate and legitimate Putin's regime and explores how they were connected to a third hidden internal war waged by the Kremlin against the opposition The author convincingly argues that the Kremlin relying on the secret services the Orthodox Church the Kremlin youth Nashi and the rehabilitated Cossacks is preparing for an imperial revival most recently in the form of a Eurasian Union An essential book for understanding the dynamics of Putin's regime this study digs deep into the Kremlin's secret long term strategies Readable and clearly argued it makes a compelling case that Putin's regime emulates an established Russian paradigm in which empire building and despotic rule are mutually reinforcing As the first comprehensive exploration of the historical antecedents and political continuity of the Kremlin's contemporary policies Van Herpen's work will make a valuable contribution to the literature on post Soviet Russia and his arguments will stimulate vigorous debate

*The Nationality Problem of the Soviet Union and Russian Communist Imperialism* Roman Smal-Stocki, 1953

**Russian Imperialism from Ivan the Great to the Revolution** Taras Hunczak, 2000-06-14 This collection of essays explores the history of Russian imperialism an especially pertinent topic in light of the newly democratic country's entrance into the geopolitical forum the country's tenuous relationship with Europe was anticipated by Russian historian Nicholas Danilevskii Some may argue conflicts such as Chechnya are remnants of the imperial thirst for dominance and that the ever evolving nation is still fighting old wars over her image as an empire The works contained in this book trace some of these encounters and in turn provide a backdrop for those of today

[Russian and Communist Imperialism in Action](#) Roman Smal-Stocki, 1963

[The Strategy of Russian Imperialism](#) Martin

Sicker,1988-05-06 The USSR's different spheres of influence each present their own special problems This is particularly true of areas outside Eastern Europe and areas non contiguous with the borders of the USSR Sicker defines and clarifies the two major Soviet perceptions of policy that radically differ from most western perspectives patience with long term policy and the belief that class struggle law is of primary importance superseding even international law The first part of the book considers the pattern and process of expansion that has created the USSR's current configuration in Eurasia The chapters demonstrate that in many respects Soviet policies are similar in objective to their Czarist forerunners Part II addresses current problems in Soviet geostrategic politics and includes discussions on their evolution and the necessity of their solution in order to preserve the viability of the USSR's spheres of influence **Soviet Russian Imperialism** Ernst Jaakson,1970

**The Oxford Handbook of Polish Politics** Katarzyna Walecka,Simona Guerra,Fernando Casal Bértoa,2026-01-22 The Oxford Handbook of Polish Politics provides students researchers practitioners and interested readers with the most complete analysis of Polish politics and society yet published Including cutting edge contributions from specialist scholars across the world it is a comprehensive and up to date reference work and authoritative source on Polish Politics Poland is the fifth largest European Union EU member state representing in terms of size and population more than half of the EU enlargement in 2004 On October 27th 2021 it celebrated the 30th anniversary of the first free and fair parliamentary elections During these 30 years the country has achieved unprecedented progress and has gone through substantial political and economic transformation These dynamics make Poland a fascinating laboratory to unfold complexities of post communist processes and developments from transition to democracy to democratic backsliding and backward Although Poland itself is reasonably well researched above all together with other Central East European countries a prestigious systematic and in depth analysis in English language in the format offered by an Oxford Handbook is unprecedented *Empire De/Centered* Dr Maxim Waldstein,Dr Sanna Turoma,2013-10-28 In 1991 the Soviet empire collapsed at a stroke throwing the certainties of the Cold War world into flux Yet despite the dramatic end of this last empire the idea of empire is still alive and well its language and concepts feeding into public debate and academic research Bringing together a multidisciplinary and international group of authors to study Soviet society and culture through the categories empire and space this collection demonstrates the enduring legacy of empire with regard to Russia whose history has been marked by a particularly close and ambiguous relationship between nation and empire building and between national and imperial identities Parallel with this discussion of empire the volume also highlights the centrality of geographical space and spatial imaginings in Russian and Soviet intellectual traditions and social practices underlining how Russia's vast geographical dimensions have profoundly informed Russia's state and nation building both in practice and concept Combining concepts of space and empire the collection offers a reconsideration of Soviet imperial legacy by studying its cultural and societal underpinnings from previously unexplored perspectives In so doing it provides a reconceptualization of the theoretical and methodological

foundations of contemporary imperial and spatial studies through the example of the experience provided by Soviet society and culture

**Empire** D. C. B. Lieven, 2002-01-01 Focusing on the Tsarist and Soviet empires of Russia Lieven reveals the nature and meaning of all empires throughout history He examines factors that mold the shape of the empires including geography and culture and compares the Russian empires with other imperial states from ancient China and Rome to the present day United States Illustrations

**The Soviet War in Afghanistan** Milan Hauner, 1991-08-05 In this volume historian Milan Hauner brilliantly links the lessons of the Soviet invasion of Afghanistan with the East West political struggles of today Masterfully he demonstrates the geographical and historical predicates of Russian imperialism in Asia His analysis focuses on the failed military campaign in Afghanistan and Soviet diplomacy in Southwest Asia as a whole The results are impressive The reader is given the advantage of a fuller historical spectrum and can better grasp the true shape of the present More importantly the reader can look into the future From this vantage point the constraints possibilities and obligations of U S diplomacy become more clear Co published with the Foreign Policy Research Institute

**Soviet Imperialism** Grigori Aleksandrovich Tokaev, 1956

Cold Peace Janusz Bugajski, 2004-11-30 The Russian regime under President Vladimir Putin has embarked on a coherent long term strategy to regain its influence over former satellites and to limit Western penetration in key parts of this region Moscow is intent on steadily rebuilding Russia as a major power on the Eurasian stage and will use its neighbors as a springboard for expanding its dominance In this first systematic analysis detailing Russia s post Cold War imperialism Bugajski challenges the contemporary equivalent of Cold War appeasement which views Russia as a benign and pragmatic power that seeks cooperation and integration with the West

## **Russian And Soviet Imperialism Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian And Soviet Imperialism free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian And Soviet Imperialism free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russian And Soviet Imperialism free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russian And Soviet Imperialism. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic

---

literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian And Soviet Imperialism any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Russian And Soviet Imperialism Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian And Soviet Imperialism is one of the best book in our library for free trial. We provide copy of Russian And Soviet Imperialism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian And Soviet Imperialism. Where to download Russian And Soviet Imperialism online for free? Are you looking for Russian And Soviet Imperialism PDF? This is definitely going to save you time and cash in something you should think about.
