

## Childbirth Pregnancy

Sacred Birthing Series

"Softbirth" is a birth without pain or fear that offers protection to keep a baby as undisturbed as possible. A newborn baby is conscious and exceptionally sensitive. If we acknowledge how aware he is, he feels our love and retains his innate radiance. Out of respect for the newborn, every one of our actions must be harmless and grow out of our intention for kindness. Kind practices are not new, they are sacred ways of Mother Nature, honored throughout time."

"Birth is an initiation, an event to be eagerly anticipated for the inner gifts of Self that it bestows. It gives a mother glimpses that Spirit is not 'out there', but 'in here', accessible in every moment. A mother is deeply capable of becoming her authentic self from this path that opens her to her power."

A home birth midwife since '83 and a Past Life Therapist since '87, Sunni Karll, D.D., is the author of *Sacred Birthing*, *Birthing a New Humanity*, and *Conceiving Souls of Magnificence*. Formerly a Waldorf kindergarten teacher, she teaches as she travels, writes when she is still, is a mother to two and granny to six, and once again lives on the island of Kauai.
