

A detailed botanical illustration of a grass plant, showing the entire plant with its roots, leaves, and inflorescence. The drawing is in black ink on a light background. The main plant is a tuft of grass with several upright culms and a large, branched panicle. To the left, there are several smaller drawings: a single grain, a cross-section of a grain, and a detailed view of a floral part. The text is overlaid on the central part of the illustration.
