world map of religions Beginning with an introduction of the concept of the changing world religion map the book first focuses on nature ethics and the environment It examines humankind s eternal search for the sacred and discusses the emergence of green religion as a theme that cuts across many faiths Next the book turns to the theme of the pilgrimage illustrated by many examples from all parts of the world In its discussion of the interrelation between religion and education it looks at the role of missionary movements It explains the relationship between religion business economics and law by means of a discussion of legal and moral frameworks and the financial and business issues of religious organizations The next part of the book explores the many new faces that are part of the religious landscape and culture of the Global North Europe Russia Australia and New Zealand the U S and Canada and the Global South Latin America Africa and Asia It does so by looking at specific population movements diasporas and the impact of globalization The volume next turns to secularization as both a phenomenon occurring in the Global religious North and as an emerging and distinguishing feature in the metropolitan cosmopolitan and gateway cities and regions in the Global South The final part of the book explores the changing world of religion in regards to gender and identity issues the political religious nexus and the new worlds associated with the virtual technologies and visual media

Nordic Landscapes Michael Jones,2008 The first in depth presentation of the Nordic landscapes to be published in nearly twenty years Norden the region along the northern edge of Europe bordered by Russia and the Baltic nations to the east and by North America to the west is a particularly fruitful site for the examination of the ever evolving meaning of landscape and region as place Contributors to this work reveal how Norden s regions and people have been defined by and against the dominant culture of Europe while at the same time their landscapes and cultures have shaped and inspired Europe s ways of life Together the essays provide a much needed picture of this culturally rich and geographically varied part of the world pub desc

Catholic Southwest ,2004 **Cultural Landscapes and the Lifeworld** Rana P. B. Singh,2004 This book expounds in a colourful way the diverse literary images that Banaras the city known as the Cultural Capital of India and the holiest city for Hindus has inspired and continued to inspire in different writers in the course of history Few other cities in the world have so sparked the imagination of the artists as this paradoxical and undescrivable city which seems to integrate all contradictions Kabir Tulasi Das Mirza Ghalib Bhartendu Harishchandra Rudra Kashikya Bishma Sahni Raja Rao Shivprasad Singh Abdul Bismillah Kashinath Singh and Pankhaj Mishra all wrote about the Banaras of their time or of the past Rana P B Singh an undisputed authority on the city of Banaras analyses their literary images and the cultural traditions described therein interpreting them in the purview of cultural symbols and lived traditions which have maintained their continuity since the ancient past

Map-making, Landscapes and Memory William J. Smyth,2006 This is the first engagement in one book by a geographer with the most formative and revolutionary period c 1530 1750 in Ireland s history Using the intertwined concepts of colonialism and early modernity the book comprises a geographical analysis of the conquest and settlement of Ireland by the New English and

Scottish The consequences of this often violent intrusion upon the cultures and landscapes of pre existing Irish societies are examined The geographies of resistance or accommodation to conquest and colonisation and the striking cultural continuities and hybrid cultural forms that emerged from these encounters are explored and regionalised BOOK JACKET

Contemporary Ukraine on the Cultural Map of Europe Larissa M. L. Zaleska Onyshkevych, Maria G.

Rewakowicz, 2014-12-18 The concept of a return to Europe has been integral to the movement for Ukrainian national rebirth since the nineteenth century While the goal of a more fully reformed politics remains elusive numerous expressions of Ukrainian culture continue to develop in the European spirit This wide ranging book explores Ukraine s European cultural connection especially as it has been reestablished since the country achieved independence in 1991 The contributors discusses many aspects of Ukraine s contemporary culture history politics and religion in Part I literary culture in Part II and language popular culture and the arts in Part III What emerges is a fascinating picture of a young country grappling with its divided past and its colonial heritage yet asserting its voice and preferences amid the diverse and at times conflicting realities of the contemporary political scene Europe becomes a powerful point of reference a measure against which the situation in post independence Ukraine is gouged and debated This framework allows for a better understanding of the complexities deeply ingrained in the social fabric of Ukrainian society
