High Political Significance of the Visit of Emperor William to the Palace of the American Duchesses. Secret Understanding Between Great Britain, Germany and the United States.

**WINDSOR, November 24.**—I am justified on the best authority in saying to the American people that the Kaiser's visit to the Duke and Duchess of Marlborough has been one of the most delightful episodes in his visit to England, and that you may look upon it as being a new proof of the friendly feelings which the Emperor has for America and Americans.

This official written statement was handed to the Emperor accompanied by Count von Buelow, Minister of Foreign Affairs, through his private secretary.
