Home and the World in Slovak Writing Katarina Gephardt, Charles Sabatos, Ivana Taranenková, 2025-03-04

Literatures of small nations represent a minuscule portion of the global literary marketplace where books written in English outnumber translated works. The struggle for visibility in relation to dominant languages and cultures is not new in Slovakia a nation of five million whose literary history has been shaped by the influence of more widely spoken languages including Hungarian, Czech and Russian. *Home and the World in Slovak Writing* brings Slovak literature out of this isolation to tell the story of how a nation's literature can survive and thrive despite a small domestic audience and relatively limited circulation in English translation. The book demonstrates how historic events such as the post-Stalin Thaw, the Prague Spring and the Velvet Revolution moulded the Slovak canon and situates contemporary Slovak literature in broader regional and global contexts. Through case studies of the transformations and adaptations of Slovak literature contributors examine the changing social roles of writers, the tensions between tradition and innovation and the dynamic interactions between influences from the outside world and domestic sources of inspiration. *Home and the World in Slovak Writing* maps the relationship between geopolitical destiny and literary production at a critical moment. As relations between the East and the West are destabilized by war, the question of cultural identity has again become a matter of national survival in Central Europe. **Daily Report, Foreign Radio Broadcasts** United States. [Arun Kolatkar and Literary Modernism in India](#) Laetitia Zecchini, 2014-07-31 In this first scholarly work on India's great modern poet Laetitia Zecchini outlines a story of literary modernism in India and discusses the traditions, figures and events that inspired and defined Arun Kolatkar. Based on an impressive range of archival and unpublished material, this book also aims at moving lines of accepted genealogies of modernism and postcolonial literature. Zecchini uncovers how poets of Kolatkar's generation became modern Indian writers while tracing a lineage to medieval oral traditions. She considers how literary bilingualism allowed Kolatkar to blur the boundaries between Marathi and English, Indian and Western sources, how he used his outsider position to privilege the quotidian and minor and revived the spirit of popular devotion. Graphic artist, poet and songwriter, storyteller of Bombay and world history poet in Marathi, in English and in Americanese, non-committal and deeply political, Kolatkar made lines wobble and treasured impermanence. Steeped in world literature, in European avant-garde poetry, American pop and folk culture, in a little magazine, Bombay bohemia and a specific Marathi ethos, Kolatkar makes for a fascinating subject to explore and explain the story of modernism in India.
