## **Mother And Me:**

*Mother Me* Zara H Phillips,2011-02-01 The adopted daughter of loving parents Zara Phillips felt out of place since childhood Although cherished she grew up deeply insecure and alone consumed by a void she found impossible to fill Isolation led to alienation until her talent brought her to the center of the heady London rock n roll scene of the 1980s Zara became lost in a downward spiral of drugs alcohol and destructive relationships An intense search for the truth of her birth led to an awakening and then to recovery Zara s activism for adoptee rights springs from a very personal passion In the end it was Zara s experience of becoming a mother that revealed what being adopted really meant For the first time she gained deep understanding and compassion for both her birth mother and her adoptive mother and was able to start the healing process *Mother Me* bravely illuminates the lifelong impact of adoption on every member of the adoption triad adoptee birth mother and adoptive mother as well as the families of each The tale of Zara s search for her birth mother and her path to recovery is riveting as are the stories of many people sharing her past *Michigan School Moderator* ,1888 People v.
