Public Libraries And The Challenges Of The Next Two Decades:

Public Libraries and the Challenges of the Next Two Decades Alphonse F. Trezza, 1985 *Public Libraries Face California's Ethnic and Racial Diversity* Judith E. Payne, Stanford University. Libraries, Rand Corporation, 1988 Minorities are increasing in California raising policy questions for the state's libraries This report provides background information and frames key issues for those attending a conference convened by the California State Library in May 1988 It describes public libraries in California and the ethnic and racial composition of the state's population as of 1988 It projects the future ethnic and racial composition of the state and analyzes the implications for libraries and the systematic obstacles libraries face when responding to diversity Finally it suggests ways libraries can address the identified obstacles and poses questions that should help libraries clarify the issues *The Future of the Public Library*, 1988 **Library Journal**, 1911 **Democracy and the Public Library** Arthur Wayne Hafner, 1993-10-30 The free exchange of ideas is central to any democracy and libraries are central to the free exchange of ideas Hafner examines many of the issues at the heart of the library's role in a democratic society and demonstrates the practical importance of the library's democratic mission In order to make informed decisions about acquisitions librarians must be familiar with the legal and intellectual debates surrounding controversial material The opening chapters of the volume provide an historical and theoretical context for the democratic role of the library by discussing issues related to canonicity Later chapters discuss legal issues related to the library as a forum for free expression the Richard R Kreimer case and the confidentiality of library records Chapter authors thoroughly discuss issues that impact the daily functioning of the library Their backgrounds in library and political science law management sociology and literary studies bring a fresh perspective to these controversial and hotly debated issues The book will be of special interest to all practicing librarians library trustees and administrators and to library science students **A Study of the Introduction of the Internet to Selected Public Libraries in Florida** Linda M. Pulliam, 1996 **The Library Quarterly**, 1987 Includes section Reviews **A Study of the Development and Diffusion of the Public Library Association's Planning and Evaluation Manuals** Verna Leah Pungitore, 1989 **PLA Newsletter** Public Library Association, 1987 **The Bowker Annual of Library and Book Trade Information** Filomena Simora, Margaret Spier, 1988 Public Libraries, 1987 **Library Cooperation and Networks** Anne Woodsworth, Thomas B. Wall, 1991 This basic primer defines the field of networking and co operation in a comprehensive manner Established and new types of network are examined Topics covered include types models paradigms technological aspects management and legal issues barriers failures and alternatives **Serving Library Users from Asia** John Hickok, 2019-06-12 Asian populations are among some of the fastest growing cultural groups in the US While books on serving other target groups in libraries have been published e.g disabled Latino seniors etc few books on serving library users of Asian heritage have been written Thus the timely need for this book Rather than a generalized overview of Asians as a whole this book has 24 separate chapters each on 24 specific Asian

countries cultures of East Southeast and South Asia with a wealth of resources for understanding interacting with
outreaching to and serving library users of each culture Resources include cultural guides both print and online language
helps with sample library vocabulary Asian booksellers nationwide cultural groups professional literature and more
