Warrior Peter Hathaway Capstick, 1998-01-15 Peter Hathaway Capstick died in 1996. At the time of his death the world renowned adventure writer was putting the finishing touches on this a stirring and vivid biography of Colonel Richard Meinertzhagen a man with whom he felt he had much in common. Edited and prepared for publication by his widow Fiona Capstick *Warrior* is Capstick's riveting farewell to his fans and the final addition to the bestselling Peter Capstick Library. Colonel Richard Meinertzhagen was one of those rare men whom fate always seems to cast in the dramas that shape history. As a young officer he served in India and Africa during the glory days of the British Empire defending the crown's dominions and exploring its darkest reaches. His exploits in the bloody colonial wars of turn of the century East Africa earned him a reputation as one of the most fierce and ruthless soldiers in the Empire yet it was during those years spent roaming the silent

places of the Serengeti hunting its game and learning its secrets that Meinertzhagen developed a fascination with Africa that would last a lifetime But there were other adventures to come and Capstick narrates them all with his trademark skill and wit daring commando raids against German forces in Africa and the Mideast during World War I covert missions to the USSR and Nazi Germany between the wars work as an OSS agent during World War II and Meinertzhagen's ceaseless support of Israeli nationhood are all woven together into an epic adventure Warrior The Legend of Colonel Richard Meinertzhagen is a powerful chronicle that follows the tracks of a twentieth century icon **The African Adventurers** Peter Hathaway Capstick,1992-06-15 Vintage heroics an unforgettable return to the silent places *Peter Capstick's Africa* Peter Hathaway Capstick,1987-07-15 See *The Gun Book for Girls* Silvio Calabi,Steve Helsley,Roger Sanger,2013-09-16 This third installment in the popular series of practical books about guns and shooting is aimed at women of all ages the fastest growing segment of the sport and it couldn't come at a better time America and firearms literally grew up together but today guns are often simply linked to crime and violence gun control has become a polarizing political issue and misinformation about firearms is spreading Now three experts have tackled the subject in a series of books that explores the realities of guns and shooting and sets the record straight about some common misconceptions On the heels of *The Gun Book for Boys* and *The Gun Book for Parents* *The Gun Book for Girls* is for girls and women interested in guns and shooting but who have little or no background in firearms Through example and anecdote the book emphasizes safety and proper usage and it defines terms and provides hands on advice about using and maintaining guns It also covers firearms shooting methods clothing and accessories for women profiles females who shoot and who work in the gun trade and discusses the issues around guns for self defense a topic of special interest to women Like the other two titles this book is non political and written in an easy to understand conversational tone Each book is thoroughly illustrated and content is presented in easily managed portions that can be read in series or singly all backed up with an index **Hemingway's Guns** Silvio Calabi,Steve Helsley,Roger Sanger,2010-11-01 Ernest Hemingway is a mythic writer and alpha male As a hunter and conservationist he drew greatly from the strong example of Theodore Roosevelt and he much enjoyed teaching newcomers to shoot and hunt Including short excerpts from Hemingway's works these stories of his guns and rifles tell us as much about him as a lifelong expert hunter and shooter as a man **Handguns 2001** Ken Ramage,2000-08 Target shooters handgun hunters collectors and those who rely upon handguns for self defense will want to pack this value loaded and entertaining volume in their home libraries Shooters will find the latest pistol and revolver designs and accessories plus test reports on several models The handgun becomes an artist's canvas in a showcase of engraving talents The catalog section with comprehensive specs on every known handgun in production includes a new display of semi custom handguns plus an expanded illustrated section on the latest grips sights scopes and other aiming devices Directories offer easy access to products services and manufacturers **Pennsylvania Outdoors** ,1985 **The Hemingway Review** ,1991 **Sport Hunting on Six Continents** Ken
