**Keturah** William Eleazar Barton,2019-03-20 The eloquent short stories and parables of Safed the sage a character created  
by author William Barton offer moral teachings and thought provoking vignettes of humanity Dozens of short yet memorable  
stories comprise this volume which seeks to promote the virtues and good deeds that make a life worth living Sometimes the  
tales are simple observations of life of chance encounters and choices made that goes on to make a positive difference Other  
times the stories highlight the worthiness of qualities such as kindness reassurance listening and rendering assistance to  
those in crisis or need Many of the parables in this text while inspired by examples found in the Bible are unique not least for  
their setting in a time where railways and electricity were already a fact of life In all Safed the sage is a wise and eloquent  
guide using his parabolic skills to demonstrate what constitutes the eternal attributes of human decency Sadly in the years  
following the death of the author the Safed the Sage series of books went out of print and became rare Today a modest  
readership is claimed thanks to both chance discovery and the memories of the elder generation who as youngsters recall  
reading and benefitting from the values placed into these little stories It is thus with a measure of pride that the publisher  
commissioned these tales for reprinting anew      Safed and Keturah: The Third Series of the Parables of Safed the Sage
