Sailing Round Ireland:

Sailing Round Ireland Wallace Clark,1990 **Day Sailing Round Ireland** Julian Cable,Alison Cable,2018-02-10 In the winter of 2013 we decided it was time to sail away from our home waters on the East Coast of England Other sailors may dream of circumnavigating the world but Julian has a full time job so sailing can only be a holiday occupation Going round the UK seemed a more achievable goal anyway in a 22 6 gaff cutter built in 1937 We had no particular completion date in mind so since then we have been cruising anticlockwise round the UK overwintering where we end the season In the spring of 2016 faced with heading down the Irish Sea from Scotland towards Wales we decided to take a detour a long one anticlockwise all the way round the coast of Ireland This book is an account of the amazing nine weeks we spent aboard our elderly boat discovering the wonders of Ireland both North and South We were amazingly lucky with the weather and got some wonderful pictures which we have reproduced in full colour through the book Practical Boat Owner's Sailing Around the UK and Ireland Roger Oliver,2013-11-05 Based on a very successful series in Practical Boat Owner Magazine this highly practical and inspirational book is the ideal companion for anyone considering a circumnavigation of the UK
