

St. Peter the Apostle

Feast Day, June 29

The Patron Saint of Popes, Fishermen, Net Makers, and Ship Builders

Peter, also known as Simon Peter or Cephas, is recognized as the first Pope. Peter's origins were modest; he was one of Jesus's Twelve Apostles

Jesus ordained him, referring to him as the "Rock" in Matthew 16:17-18, saying, "You are Peter, and on this rock, I will build my community, and the gates of the underworld can never overpower it."

Peter hailed from Bethsaida near Lake Tiberias and was the son of Jonah. He and his brother Andrew were fishermen on Lake Genesareth. In Luke 5, it's recounted how they encountered Jesus, who performed a miraculous catch of fish. Witnessing this, Peter fell before Jesus, declaring his sinfulness.

Peter's life took a profound turn when he followed Jesus, and became the leader of the apostles. He travelled through Palestine and Asia Minor where he worked multiple miracles and converted many followers.

In Matthew 14, Jesus fed a large crowd with minimal provisions, and afterward, he instructed his disciples to sail to the other side of a nearby river while he prayed. As they battled rough waves, Jesus approached them by walking on water. Initially, they feared, but Jesus reassured them. Peter, expressing doubt, asked to walk on water too. Jesus agreed, but when Peter noticed the wind, fear overcame him, and he cried for help. Jesus chided him for his little faith.

For Catholics, Peter's life journey symbolizes the transformative power of faith and the enduring importance of the papal office within the Church. He is remembered as the "Rock" upon which the Catholic Church was built, a testament to the unshakeable faith that guides the Church through the ages.

nascent Church Reconstructing the biography of Simon the Galilean requires throwing the nets over the waters of the many traditions of the leader of the Twelve the man who is always present at the turning points of the story of Jesus It has rightly been said that the Gospel of Mark and thus the gospels of Matthew and Luke is written from his point of view It is he whom Jesus calls first when he is working on the seashore it is Peter who proclaims with blind enthusiasm that his teacher is the Messiah who confronts him about the consequences and meaning of that title who cries bitterly for his cowardice who enters the house of the high priest where the rabbi is held prisoner and who after the crucifixion throws himself into the dark waters before the sunrise when he sees him again standing on the shore of the lake Peter was already a married man with a permanent job in Capernaum when Jesus passed by and said Follow me and I will make you a fisher of men Although the four canonical gospels tend to have disagreements they all agree on one crucial aspect Peter s preeminence Peter was the spokesman and the chief apostle the trustworthy disciple of the Lord and ironically the one who failed him again and again through his incomprehension his hesitation and impulsiveness For example he drew the sword to kill at a time of danger when his teacher was clearly against violence However according to several independent sources the risen Jesus went to appear to Peter first as if to comfort him and confirm him on his commission to feed the sheep Considering all this it is strange that few details about his later life are known That Simon Bar Jonah Cephas the man from Galilee was a historical figure is a fact that no one not even those who doubt the existence of Jesus would put in doubt The textual evidence is traced back to the years he lived in Jerusalem and at least one contemporary person mentions an encounter with him But the details are scarce Ironically most of the reliable information is in the writings of another Christian leader with whom he had disputes Paul Traditions and legends about the life of Saint Peter are many not to mention several writings attributed to him Some may contain historical memories and others are parables but it is not a legend that while he was alive and even 2 000 years later Peter has been the center of heated controversies If indeed he was the leader of the apostles then do his successors the bishops of Rome have preeminence over all of Christendom To say that this question defined the history and the map of the Christian world for many centuries is an understatement Saint Peter is therefore one of the most important people in history

The Martyred Inquisitor: The Life and Cult of Peter of Verona (†1252) Donald Prudlo,2017-05-15 Peter Martyr was one of the central Dominican saints of the thirteenth century in some cases eclipsing Dominic himself Born in Verona around 1206 to those with Cathar sympathies he became a convert to Catholicism As one of the first generations of Dominicans he represents aspects of their primitive history both as a spellbinding preacher and as one of the earliest and most famous papal inquisitors In 1252 shortly after his official appointment to the post of inquisitor for Lombardy Peter was assassinated at the hands of a cabal of Milanese heretics That there is no modern monograph on Peter represents a considerable lacuna in the study of medieval saints This work therefore fills a very important gap in both thirteenth century hagiographical studies and studies of the interrelationship of heresy and imperial politics in the mid thirteenth century The first half of the book is a systematic study of the stages in the life miracles and posthumous cult of Peter of Verona Part One deals with many controversial issues of Peter s life such as his role in the growth of the Dominican order and related confraternities in Lombardy and Tuscany his status as papal inquisitor and his preaching Part Two explores the cult of Peter Martyr The brief time which elapsed between death and canonization makes Peter Martyr an especially interesting case in the field of cult study as for him life led immediately to cult a cult dominated by those who knew him personally The second half of the book is a translation into English of the major primary sources concerning Peter These will be of interest to students of papal canonization the Dominican order the Inquisition hagiography and local history **The Life and Writings of Saint Peter** Saint Peter (the Apostle),1830 **The Works of Nathaniel Hawthorne: Nathaniel Hawthorne and his wife, a biography by Julian Hawthorne [c1884** Nathaniel Hawthorne,1884
