Saint Thomas Aquinas The Angelic Doctor:

The Life of St. Thomas Aquinas, the Angelic Doctor Pius Cavanagh, 1890 **New Things & Old in Saint Thomas Aquinas** Saint Thomas (Aquinas), 1909 **The Angelic Doctor** Jacques Maritain, 1931 **St. Thomas Aquinas** Anonymous, 1995-07

The Angelic Doctor and Universal Doctor his intellect and learning were phenomenal yet he was humble and charming Knew the Bible by heart remembered all he had read could dictate to 3 secretaries at once All the charming stories about him Great

New Things and Old in Saint Thomas Aquinas Saint Thomas Aquinas, H. c. O'Neill, Brother Hermenegild TOSF, Brother Hermenegild, 2014-04

All I have written seems chaff to me Thus six months before his death spoke the greatest mind of the Middle Ages He had up to this time lived a life full of labour lecturing writing dictating and praying and now after having received a revelation he laid aside his pen and would write no more His favourite disciple with a directness characteristic of him asked him why he would not write when he was in the midst of a great work to which he simply replied I cannot Being pressed still further he again said I cannot for all that I have written seems chaff to me This incident well attested as it is is so clearly sincere that no interpretation of it can rob it of its grandeur and pathos The words were spoken by a man still only in his prime as far as years go but one whom incessant labour and devotion to a high cause had brought at the age of forty nine into the valley of the shadow His name is one that all men of education profess to know His fame is noised abroad scarcely less by those who ignorantly condemn than by those who injudiciously worship him But his life his real concrete life is still in many ways a closed book For while one class of men look on him as a great intellect and another as a great holiness the human lines of Aquinas have been singularly neglected His holiness and his greatness in the eyes of a critical generation will depend not on the mysteries of his extraordinary raptures but on the way in which he bore himself in the jostle of life with men If this has not been overlooked by his many biographers it has for the most part been undervalued and it is fitting that in this age which bears some resemblance to the Renaissance in the re-discovery of the enduring masterpieces of olden time either from neglect or undiscerning attention some attempt should be made to show Aquinas to the world not as a saint on a pedestal or a statue above the rostrum but as one faring in the road of life and faring manfully

common perfection which comes of grace there is stamped on each of God's servants some special feature of the Divine attributes and this forms the genius of the individual In St Thomas Aquinas it is Divine Truth which shines forth within and without in the lustre of learning and teaching so that the words of the Psalmist are verified in his life Thou hast laid bare to me the deep and hidden things of Thy Wisdom Ps L 7 He was the hive of the world's honey of all ages Years are but as a day with God hence a gracious life may be presented for our contemplation as He evolved it in its periods of Morn and Noon and Evening followed by the Night when after toil it passed into glory This memoir is based on the accounts left by two of the saint's brethren once his disciples William de Tocco and Ptolomeo de Lucca who to their personal witness added the Reports of the Commissions held by three Cardinals in Rome and by the Archbishops of Naples and Capua and the Bishop of Viterbo in their respective dioceses on the holy doctor's decease Further details have been gleaned from the pages of P re Touron Vie de Saint Thomas d Aquin issued in quarto in 1741 also from materials supplied in the life of Blessed Albert who was the saint's chief teacher Such a biography is especially opportune in our day on the revival of scholastic learning in the domains of Philosophy and Theology of which St Thomas was the highest exponent while he stands supreme as the patron of the Christian Schools
