Sagebrush Classics Betsy Bernfeld, 1990 **Bucking the Sagebrush** Charles John Steedman, 2017-07-15 Excerpt from *Bucking the Sagebrush Or the Oregon Trail in the Seventies* As to the truth of my statements about the Mormons I will simply say that now it is a matter of history Possibly I may have thrown a side light on the cow puncher as I know him To me he sizes up as other humans good bad and indifferent He has one characteristic however which is most prominent the fear of ridicule To have his neck broken by a horse is awkward to get shot is unfortunate but to appear ridiculous that breaks his heart Having a fellow feeling in this respect and knowing that prefaces are apt to be wearisome I will rope and tie this one About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Sagebrush Cinderella Max Brand, 2022-07-21 Max Brand's *A Sagebrush Cinderella* paints a vivid tapestry of the rugged American frontier replete with the terse dialogue and robust narrative that hallmark Brand's oeuvre Our protagonist Jacqueline emerges from the heat of a desolate hotel kitchen into the crucible of the Wild West a lone woman standing tall against the crude barbs of cowpunchers Brand's prose marries the directness of the Western novel tradition with the transformative arc of a fairy tale offering readers an evocative journey from the drudgery of servility to the thrills of an unforeseen destiny The story is deeply rooted in the literary context of early 20th century Americana painting a stark yet entrancing depiction of the period's gender dynamics and societal expectations Max Brand the pseudonym for Frederick Schiller Faust distinguished himself in the lexicon of American Western fiction Brand's works are often influenced by his prolific output and the colorful adventures from his own life which echoed the vicissitudes of his characters It is plausible that Jacqueline's metamorphosis from an underappreciated kitchen hand to a figure of intrigue and desire resonates with Faust's own aspirations for a life beyond the ordinary imbuing the work

with an authenticity and emotional depth characteristic of his best writing *A Sagebrush Cinderella* is recommended for readers who yearn for an era of stark simplicity and raw beauty as well as for those intrigued by the resilience and transformation of the human spirit under the harshest conditions Brand's work is essential reading for aficionados of Western literary traditions and this novel in particular provides a poignant exploration of individuality and redemption in the face of societal constraints making it a timeless addition to the genre

Serenity and Severity Caleb Seeling, 2016-07-15 Volume 5 Manifest West Series Western Press Books Serenity and severity form a classic Western dichotomy with many manifestations Beautiful growth and renewal follow a terrifying and destructive forest fire Rain upon a hayfield can be interpreted as grace or judgment from above depending on the season The unpredictability of nature provides hikers with a breathtaking view one day and a life threatening scenario the next Yet the nature of the West does not only imply the outdoors The people of the West encounter serenity and severity in all aspects of life and this duality impacts their identity and shapes their lifestyles outlooks worldviews and values This year's collection includes political discussions philosophical ponderings and lighthearted humor that are all a part of life in the West For the fifth volume of Manifest West twenty nine writers explore this theme revealing the duality of Western life through many different narrative trails including governed environment overwhelming fires hiking adventures and the effect of location on family Creativity and diversity come to this anthology in both content and form with flash fiction joining Manifest West's standard genres of creative nonfiction short fiction and poetry Their combined reflections enable us to see the intense relationship between humanity and nature sometimes nature directs humans lives to their harm and to their benefit and other times humanity abuses the very environment it cherishes as its home Authors bring their personal styles voices and experiences with life in the West to contribute to a balanced and unique interpretation of serenity and severity Contributors Rebecca Aronson Betsy Bernfeld Heidi E Blankenship Kaye Lynne Booth Sarah B Boyle John Brantingham William Cass David Lavar Coy Benjamin Dancer Gail Denham Patricia Frolander John Haggerty Lyla D Hamilton Michael Harty Rick Kempa Don Kunz Ellaraine Lockie Nathan Alling Long Sarah Fawn Montgomery Juan J Morales Lance Nizami Ronald Pickett Terry Severhill David Stallings Scott T Starbuck Abigail Van Kirk Victoria Waddle Evan Morgan Williams Steven Wingate Manifest West is Western Press Books literary anthology series The press affiliated with Western State Colorado University produces one anthology annually and focuses on Western regional writing

Women of the West Caleb Seeling, Sapphire Heien, Sheena Feiler, 2017-07-07 The 2017 volume in the Manifest West series Women of the West delves into the rich mixing pot created in the West derived from assorted cultures and ethnicities and from a variety of beliefs and traditions across the world all manifested in today's Western culture There is no one type of Western woman They are beautifully diverse in race religion

and sexual orientation yet they are bonded through the shared experiences and approaches to life that identify them as distinctly Western. Like individual squares of a quilt, women's interactions with the culture, landscape, and geography of the West, as well as with their families and one another, offer us a unified variety. In this collection of poems, short stories, and creative nonfiction, twenty-five writers and poets present a broad understanding of the Western woman, sometimes defying and sometimes reinforcing expectations and stereotypes. Perspectives vary from daughters grieving the loss of fathers whose rugged ways resonated with them to mothers striving to share an adoration for the delicacy of nature with their sons. For every woman seeking to conquer the wilderness, another yearns to be tamed by it. These are the stories of natives and Natives, of immigrants from around the world, spanning from eastern states of America to Vietnam in the East. From historical figures toting guns and whips to those who must overcome today's manifestations of violence against women, these ladies and so many more are the Women of the West. Manifest West is Western Press Books literary anthology series. The press, affiliated with Western State Colorado University, produces one anthology annually and focuses on Western regional writing.
