

THE BATTLE OF QUEBEC.

A View of the Taking of Quebec, September 13th, 1759. Showing the manner of the debarking of the English Forces and of the resolute scrambling of the Light Infantry up a woody precipice to dislodge the Captain's post which defended a small entrenched path through which the troops were to pass. Quebec And La Guerre:

Communicating in Canada's Past Gene Allen, Daniel Robinson, 2009-11-14 *Communicating in Canada's Past* evolved out of essays presented at the inaugural Conference on Media History in Canada of 2006 which brought together media historians from across the disciplines and from both French and English Canada. The first collection of its kind, this volume assembles both well established and up and coming scholars to address sizable gaps in the literature on media history in Canada. *Communicating in Canada's Past* includes a substantial introduction to media history as a field of study, historiographical essays by senior scholars Mary Vipond, Paul Rutherford and Fernande Roy and original research essays on a range of subjects including print journalism, radio, television and advertising. Editors Gene Allen and Daniel J. Robinson have provided a sophisticated, wide ranging introduction for those who are new to media history while also assembling a valuable collection of new research and theory for those already familiar with the field. *Report on the Mines of the Province of Quebec*, 1913

An Historical Journal of the Campaigns in North America John Knox, 1916 *The Publications of the Champlain Society*, 1916 **Canada and Its Provinces** Adam Shortt, Sir Arthur George Doughty, 1917 **Canada and its Provinces**, 1917 *Canadian Film and Video* Loren R. Lerner, 1997-01-01 This extensive bibliography and reference guide is an invaluable resource for researchers, practitioners, students and anyone with an interest in Canadian film and video. With over 24,500 entries, of which 10,500 are annotated, it opens up the literature devoted to Canadian film and video, at last making it readily accessible to scholars and researchers. Drawing on both English and French sources, it identifies books, catalogues, government reports, theses and periodical and newspaper articles from Canadian and non-Canadian publications from the first decade of the twentieth century to 1989. The work is bilingual; descriptive annotations are presented in the language(s) of the original publication. *Canadian Film and Video: Film et vidéo canadiens* provides an in-depth guide to the work of over 4000 individuals working in film and video and 5000 films and videos. The entries in Volume I cover topics such as film types, the role of government, laws and legislation, censorship, festivals and awards, production and distribution companies, education, cinema buildings, women and film and video art. A major section covers filmmakers, video artists, cinematographers, actors, producers and various other film people. Volume II presents an author index, a film and video title index and a name and subject index. In the tradition of the highly acclaimed publication *Art and Architecture in Canada*, these volumes fill a long standing need for a comprehensive reference tool for Canadian film and video. This bibliography guides and supports the work of film historians and practitioners, media librarians and visual curators, students and researchers and members of the general public with an interest in film and video. **Quebec Since 1800** Michael Derek Behiels, 2002 *Quebec Since 1800: Selected Readings* brings together recent and classic scholarship on the evolution of Quebec society in the past two hundred years. Articles deal not just with political history but also illuminate issues related to religion, education, economics, labour concerns, linguistics and the role of women. A number of articles appear in translation for the first time in this book and

represent recent scholarship by the new generation of Quebec historians Editor Michael Behiels has done a masterful job of collecting diverse but linked articles and has tied them together in his unit introductions and his overall introduction Reading lists point the way to accessible related books and articles For anyone interested in the evolution of Quebec and indeed the future of Canada Quebec Since 1800 is a must reading **Canada and Its Provinces: General index** Sir Arthur George Doughty, Adam Shortt, 1917 **Gilles Paquet** Caroline Andrew, Ruth Hubbard, Jeffrey Roy, 2010-10-27 This volume explores and contextualizes the contributions of Gilles Paquet as a social scientist A quintessential public intellectual Gilles Paquet's long and multifaceted career has shown him to be a thinker of significant power and creativity This self described homo hereticus always critical and sometimes controversial has influenced scholars and policy makers in Canada and around the globe The contributors reveal how his assessments of economics politics public administration and education have stirred their minds and helped them make sense of the world around them The volume also provides comments on Paquet's vision of governance touching on concepts of which he has made extensive use meso analysis social learning and moral contracts Published in English Transactions of the Literary and Historical Society of Quebec Literary and Historical Society of Quebec, 1879 *A Subject Index of the Modern Works Added to the Library of the British Museum in the Years 1880-[95]: 1891-1895* British Museum.
