Real Life Christianity:

Our Real Life in Christ M. Alberto Zelaya Aragon, 2013-11-21 Its essential to uncover the current malady affecting the organized Christian Church today not its structuring and not necessarily its organizational approach but present to it His solution which has never been hidden or even veiled in His Word which is that we must return to the true roots of Christianity which is founded on the individual discipleship of each member of His body just as Jesus designed it and modeled it for us while He ministered on this earth It passed the acid test of resiliency when it was mercilessly persecuted as its disciples applied the principles as instituted and instructed by our Lord for all of us to display and to do I encourage anyone to do a Bible search for the word disciple and believer and see firsthand that these words are not interchangeable or used in the same context when referring to a specific person whos known to be committed to our Lord versus referring to a generalization in the third person to someone or a group whos aware about the existence of the real living God Gods remedy its still available today to anyone who truly desires to attain it and can decipher that its only through discipleship that a true believer is infected with the enthusiasm zeal and eagerness in the commitment to fulfill John 8 31 and Matthew 28 19 reaching to those around them who thirst and hunger for the things of God and in that process experience the life He promises we can live now Its time to abandon once and for all the current practices of mass producing supporters and inscribe it into our minds that the Great Commission was not to make believers but to make disciples The early church didn t churn out cheerleaders and advocates but bona fide disciples taught and equipped according to Ephesians 6 10 17 who then as members of the body of Christ led by example transforming them into a formidable most powerful and effective force the Roman Empire had ever seen Again I want to reiterate that I am not against the church as organized by the apostles but want to revolutionize it where discipleship is the top priority and purpose for its existence I am critical of the current organized version that has taken the place of the real church that nowadays is wasting vast resources and investing them in huge entertainment amphitheatres and often dilute distort and obscure the true message and method to attain this new life established by our Lord Unless this change happens we cant truly reach and change a lost world Our Real Life in Christ seeks to help those who are experiencing that gnawing sensation that there is much more to Gods Word than what is being offered by those weekly sermons in churches today

In His Image Michael J. Wilkins, 2020-04-06 A Disciple will be like his teacher Luke 6:40 What does it mean to be a follower of Jesus The ultimate goal of discipleship is to be like the Teacher to be like Jesus Himself Every Christian wants to understand what that means But even if we understand it is it possible Michael Wilkins asserts that it's not only possible it's a life that all Christians are called to not just a select few So why do we so seldom experience it As Wilkins points out even the first followers of Jesus had a hard time grasping what it meant to be His disciples Like them our difficulty often lies in not clearly understanding who Jesus is not recognizing the resources available to us as God's children or not believing who we are to be as Christ's followers But like the early disciples our lives can radically change If we want to

follow Jesus we can become like Him Jesus takes us exactly as He finds us writes Wilkins and transforms us into His likeness So come learn what it means to walk with Jesus and reflect His image to the real world **The Real Church** Harald Hegstad,2013-02-15 What does it mean to believe in the church What is the relationship between the church we believe in and the church we experience Is there an invisible church that is different from the visible This book is an argument for an ecclesiology of the visible The only church the real church is a concrete reality made up of people just like any other fellowship What distinguishes it as church is the presence of the triune God among those who gather in the name of Jesus making it a sign and anticipation of the fellowship of the kingdom of God From this premise Dr Hegstad analyzes such issues as the relationship between church and world mission and diakonia church as fellowship and organization ministries in the church worship and the unity of the church as well as discussing the relationship between a sociological and a theological understanding of the church Essential Christianity Keith Sherlin,2006-06 What are the essentials to the Christian faith How can you know and find God s will What doctrines comprise the foundation to a Christian life What should church leadership look like What experiences mark a healthy Christian These questions and more are answered in this book If you are looking for one book that can cover the whole Christian life then this book is for you as you seek to Love a faithful faith that honors God while learning to experience his goodness daily Real-Life Christianity Andrew Knowles,1995 Introduction to following Jesus *Confessions of a Crappy Christian* Blake Guichet,2022 Christians are burned out isolated and unsure of where to turn for sound biblical advice that applies to their everyday struggles If you ve ever felt this way or wished someone would talk about things like forgiveness mental health broken friendships sex facts versus feelings church hurt and more in honest down to earth terms while sticking to what Scripture has to say about them you ve come to the right place With honesty and vulnerability Blake Guichet host of the popular podcast Confessions of a Crappy Christian helps us embrace the truth that we can t do it all perfectly and gives us the wisdom guidance and hope to move from crappy Christian into a freer and fuller walk with Christ Page 4 of cover *How to Stay Christian in Seminary* David Mathis,Jonathan Parnell,2014-01-31 Seminary is dangerous Really dangerous The hard truth is that many seminarians enter pastoral ministry feeling drained disillusioned and dissatisfied But the problem isn t with the faculty or the material Rather the most perilous danger to the soul of the pastor in training is the sin residing deep within his own heart Drawing on their years of pastoral ministry and seminary experience David Mathis and Jonathan Parnell take a refreshingly honest look at this oft neglected yet all too common experience offering real world advice for students eager to survive seminary with their faith intact In seven short but challenging chapters the authors remind readers of the foundational role of the gospel in the life of ministry equipping them with the keys to grow in their faith while making the most of their education **More Than a Sunday Faith** Chris Suitt,2014-08-01 Today s Christianity is broken and ineffective as seen by the fact that generations of people don t want anything to do with the Jesus they see in Christians The reality is that a Christian worldview simply doesn t work in the real

everyday world in which they live Jesus however not only came to give people eternal life but also to radically change and give them life today How this happens was the question posed by the author who had a personal challenge that was destroying his family and his career as a pastor The Christian solutions were not working forcing him to ask Jesus outside of a miracle how do You change a life The answer he discovered was the SET FREE NOWWW principles the basis of a Biblical worldview When believers in Jesus meet their needs in their own or society s way follow unbiblical ways of processing daily life or rely upon Christian clich s they ll experience disappointment disillusionment and disaster Processing daily life through a Biblical worldview will change their life from the inside out bringing with it peace love significance and security each day not just on Sunday More Than a Sunday Faith is not more whats but the how to s of living with a Biblical worldview It is not a book just to be read but principles to be lived each day The author gives a number of practical tools to have and practice real faith throughout the week As this happens not only will Christians experience the life Jesus offers but the generations who don t want anything to do with Him just might want the Jesus they see in them
