*Reality Prime; Pages from a Journal* Walter Lowenfels, 1974      *Reality Prime* Walter Lowenfels, 1998 Walter Lowenfels broke major ground as a surrealist and as a political poet. Closely identified with Henry Miller and Anais Nin he was a key figure in the Paris avant garde during the 1920s and 1930s. Returning to the United States he became a full time Communist Party organizer and an editor of *The Daily Worker* jailed in 1951 for violating Smith Act. Although he was eventually acquitted the incident returned him to poetry and from the early 1960s until his death he was a familiar presence in non academic literature. Championing avant garde African American poetry and poetry from America's Third World he was well known as a politically radical anthologist. *Reality Prime* the first in the Talisman series Classic American Poets will be the most comprehensive collection of Lowenfels's poetry available. Its cornerstone will be his three Death Elegies. Crucial texts for the avant garde during Lowenfels's Paris years they will appear together for the first time. Walter Lowenfels 1897-1976 was among principal figures in the revolution of the word the movement to modernize American writing the early years of this century. Accomplished first as a surrealist and later as a political writer Lowenfels early in his career joined Michael Fraenkel and Henry Miller in their so called death school which shaped much of his celebrated early work. His leftist affiliations and conviction under the Smith Act although reversed led many to view him as a political martyr at a particularly repressive moment in American history.      *Proceedings of a Symposium on American Literature* Marta Sienicka, 1979      **Seria Filologia Angielska**, 1978      **LANGUAGE OF POETRY AND GENERATIVE GRAMMAR** NINA NOWAKOWSKA, 1974

the once glittering job of network anchor seems unmistakably tarnished In an age of instantaneous Internet news cable echo chambers and iPod downloads who really needs the evening news And by extension who needs Katie Couric Brian Williams and Charlie Gibson But the anchors still have a megaphone capable of cutting through the media static Their coverage of Iraq helped turn the country against that bloody war and they are now playing a leading role in chronicling the collapse of George Bush s presidency and the 2008 race to succeed him Yet even as the anchors fight for ratings supremacy the mega corporations they work for have handed them a bigger challenge saving an American institution In this freewheeling intimate account of life atop the media pyramid award winning bestselling author Howard Kurtz takes us inside the newsrooms and executive suites of CBS NBC and ABC capturing the deadline judgments image making jealousies and gossip of this high pressure business Whether it is Couric trying to regain her morning magic while coping with tabloid stories about her boyfriends Williams reporting from New Orleans and Baghdad while worrying about his ailing father or Gibson weighing whether to follow his wife into retirement while grappling with having to report the explicit details of sex scandals Kurtz brings to life the daily battles that define their lives The narrative reflects an extraordinary degree of access to such corporate chieftains as Jeff Zucker and Les Moonves star correspondents and the anchors themselves Their goal create an on screen persona that people will tune in to and trust Yet they are faced with a graying shrinking audience as younger viewers flock to Jon Stewart whose influence on the real newscasts is palpable Here is the untold story of what these journalistic celebrities think of their bosses cable competitors bloggers and each other
