Rebecca Roman:

In the Court of the Gentiles: Narrative, Exemplarity, and Scriptural Adaptation in the Court-Tales of Flavius

Josephus David Edwards,2023-06-05 Edwards explores how Josephus in Antiquities adapts the scriptural stories of Joseph and Esther in unexpected ways as models for accounts of more recent Jewish figures Terming this practice subversive adaptation Edwards contextualizes it within Greco Roman literary culture and employs the concept of discourses of exemplarity to show how Josephus used narratives about past figures to engage Roman elites in moral reflection and pragmatic decision making This book supplies analysis of frequently overlooked accounts as well as Josephus broader literary strategies and shows how ancient Jews appropriated imperial historiographical conventions and forms of discourse while countering Greco Roman claims of cultural superiority *Persiadnea's Paradigm* Lyra Massey,2022-11-18 Persiadnea s

Paradigm The Devolution By Lyra Massey In Persiadnea s Paradigm The Devolution Sabina Lavoie is a young woman who is forced to grow up fast as her world falls apart She and her troubled friends fight the forces of evil while trying to maintain their normal lives Persiadnea s Paradigm has sarcasm wit funny drama romance villains and antiheroes The message is about life being hard and you cannot not always see or pinpoint who the bad guys are People are complicated and what drives them is selfish desire The story is not like the standard stories written or on screen The main characters are flawed good and bad guys We need to be reminded that people are not always going to follow the social plan so we should calm down and stop trying to break them *Gender Mobility* Susan Hylén,Almar H Shatford Professor of New Testament Candler School of

Theology Susan Hylén,2025-06-27 What if our long held understandings of gender have less historical basis than we imagine In *Gender Mobility* Susan E Hylén argues that the Roman gender order was definitively non binary She makes a compelling case that freeborn men freeborn women freed men freed women enslaved men and enslaved women all constituted different genders And the possibility that some people could change gender what Hylén calls gender mobility was a standard feature of the period **New York Court of Appeals.
