Rebellious Heart:

15 Signs Of A Rebellious Heart Michael Lindquist,2005 15 Signs Of A Rebellious Heart is a wake up cry to this generation to deal with the issues of rebellion that live within each heart Christian Religion **Portraits of God** Allan Coppedge,2009-09-20 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God s actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In Portraits of God Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God s very being In Portraits of God Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God s own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in Portraits of God a treasure of scholarship and truth **Rebellious Heart** Mati H. Fuller,2017-07-21 Being a rebel has nothing to do with going against society even though sometimes that is what happens A rebel is one who has the courage to live from the heart A tremendous amount of courage is needed because the heart is so spontaneous and unpredictable and always in the moment When you are guided by your heart you can expect to be judged by others if your actions are not in alignment with traditional values But the freedom that comes from living your truth still makes it worth while In Rebellious Heart the author makes an attempt to convey exactly what it feels like to put the mind aside and live from the heart This book is filled with poetry and inspired stories written without any effort on her part since the words simply flowed through her straight from Source Rebellious Heart is written for people who have an irresistible desire to honor their deeper truth whatever it may be So let the words stir your soul validate your feelings and bring you back into alignment with your very own heart for this is the path of the true rebel *The Foundations of Chinese Medicine* Giovanni Maciocia,2015-07-13 The latest edition of this hugely popular volume continues to provide readers in the West with a clear explanation of the theory and practice of Chinese medicine Richly illustrated and fully updated throughout Foundations of Chinese Medicine retains its careful structure to present the subject in a systemized manner which ranges from first principles to the diagnosis and management of a wide range of disease states NOW WITH AN ACCOMPANYING WEBSITE containing an extensive bank of review and test material the latest edition of this important volume has been
