Cassaro, 2009-07-15 *Gaetano Donizetti A Research and Information Guide* offers an annotated reference guide to the life and works of this important Italian opera composer The book opens with a complete chronology of Donizetti

s life 1797-1848 and career relating it to contemporary events. The balance of the book details secondary resources and other works including general sources, catalogs, correspondence, biographical sources, critical works, production review sources, singers and theaters, and the individual operas.

**Operas in English: A Dictionary** Margaret Ross Griffel, 2012-12-21. In this revised and expanded edition of *Operas in English: A Dictionary*, Margaret Ross Griffel updates her work on operas written specifically to an English text, including not only works originally in English but also those set to new English librettos. Since the book's initial publication in 1999, Griffel has added nearly 900 new items, bringing the total number of entries in this new edition to 4,400, covering the world of opera in English from 1634 through 2011. The front matter includes a brief history of English opera to set the stage for the dictionary entries that follow. Listed alphabetically, each opera entry includes alternative titles, a full descriptive title, the number of acts, composer's name, librettist's name with original language of the libretto, the source of the text, date, place, and cast of the first performance, date of composition if it occurred substantially earlier than the premiere, similar information for the first U.S. including colonial and British, England, Scotland, Wales performances, brief plot summary, main characters' names and vocal ranges where known, names of noteworthy numbers, comments on special musical problems and techniques, other settings of the text including non-English ones, other operas if any involving the same story or characters, cross-references are indicated by asterisks. Entries include such information as first and critical editions of the score and libretto, a bibliography ranging from scholarly studies to more informal journal articles and reviews, a discography, and information on video recordings. *Operas in English* features four appendixes: a selective bibliography and two indexes. The first appendix lists composers, their places and years of birth and death, and their operas included in the text as entries; the second does the same for librettists; the third records authors whose works inspired or were adapted for the librettos; and the fourth comprises a chronological listing of the A-Z entries, including the date of first performance, the city of the premiere, or composition date if unperformed or performed much later, the short title of the opera, and the composer. There is a main character index and an index of singers, conductors, producers, composers of other settings, and other key figures.

**Historical Dictionary of Baroque Music** Joseph P. Swain, 2023-05-08. Named a Library Journal Best Reference of 2023, *Bravo* An invaluable source for scholars and concertgoers. *Library Journal*. In the history of the Western musical tradition, the Baroque period traditionally dates from the turn of the 17th century to 1750. The beginning of the period is marked by Italian experiments in composition that attempted to create a new kind of secular musical art based upon principles of Greek drama, quickly leading to the invention of opera. The ending is marked by the death of Johann Sebastian Bach in 1750 and the completion of George Frideric Handel's last English oratorio, *Jephtha*, the following year. The *Historical Dictionary of Baroque Music*, Second Edition, contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more than 500 cross-referenced entries on composers, instruments, cities, and technical terms. This book is an excellent resource for students, researchers, and anyone wanting to know more.

### **Recent International Opera Discography Performers Introduction**

In today's digital age, the availability of Recent International Opera Discography Performers books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Recent International Opera Discography Performers books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Recent International Opera Discography Performers books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Recent International Opera Discography Performers versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Recent International Opera Discography Performers books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Recent International Opera Discography Performers books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Recent International Opera Discography Performers books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Recent International Opera Discography Performers books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Recent International Opera Discography Performers books and manuals for download and embark on your journey of knowledge?
