## **Quick Guide To Internet Educator:**

*The Teacher's Complete & Easy Guide to the Internet* Ann Heide, Linda Stilborne, Johnston, Val, 1999      **Quick Guide to the Internet for Education** Eugene F. Provenzo, Doug Gotthoffer, 2000      *Quick Guide to the Internet for Special Education* Mary Male, 2000      **Allyn and Bacon Quick Guide to the Internet for Educators** Rivard, 1997      **Teaching Online Simplified: A Quick Guide for Instructors (UM Press)** Farrah Dina Yusop, 2018

The book *Teaching Online Simplified: A Quick Guide for Instructors* intended to serve as a practical guide or handbook for those who have limited or no prior knowledge in teaching and or education but are interested in online teaching. It is also intended for open university staff and lecturers who need to teach online lecturers who teach or are planning to teach online courses in higher education settings lecturers who are interested to use technologies to support face to face teaching and faculty professional development workshops and trainings. The book is written based on the authors research based experiences in consulting online instructors on what they needed and wanted to know about designing online courses. Authors also interviewed a group of online students to understand what they liked and disliked about the way their current courses were conducted and what kind of improvements they wanted their online programs to include. Hence this book focusing on the how and whys rather than theoretical discussions of teaching online. This book is a much have resource for anyone involved in teaching online as it such as faculty members who want to convert his or her in class course to an online format and who are not necessarily familiar with current literature and or do not have time to get acquainted with online teaching as it translates research based knowledge in online education into simple strategies that can be easily adopted by teachers practitioners.      [Quick Guide to the Internet for Multicultural Education](#) Colleen Finegan, Ronald G. Helms, 2000      **A Pocket Guide to Online Teaching** Aaron S. Richmond, Regan A. R. Gurung, Guy A. Boysen, 2021-03-09

This pithy yet thorough book provides an evidence based guide on how to prepare for online teaching especially for those who are making a swift transition from face to face to online instruction. Guided by the Model Teaching Characteristics created by The Society for the Teaching of Psychology this book covers important topics like how to adapt to expected and unexpected changes in teaching how to evaluate yourself and your peers and tips on working smarter optimizing working practices with the resources available. The features of the book include Practical examples exploring how to solve the typical problems of designing and instructing online courses Interactive Worked Examples and Working Smarter callouts throughout the book which offer practical demonstrations to help teachers learn new skills. Further reading and resources to build on knowledge about online education. End of chapter checklists which summarizes suggestions about how to be a model online teacher. This essential resource will provide support for teachers of all levels and disciplines from novice to the most experienced during the transition to online teaching.      [Learning Online](#) Amy Wolgemuth, 1996
