Realms Of The Gods:

The Realms of the Gods Tamora Pierce,2015-09-29 While in the mystical realms of the gods along with Numair Daine learns the secrets of her past and the implications for her future as she and Numair are compelled to return to the mortal world of Tortall to help fight against the immortals

Realms of the Gods Tamora Pierce,2009-10-29 Daine and Numair are suddenly swept into the otherworldly home of the gods after facing certain death on earth But they cannot remain there for long because they are both needed to help fight the desperate battle raging in Tortall And so they undertake the dangerous journey back to earth a journey that will teach them a great deal about life and about each other a journey that will lead to the startling culmination of the conflicts both mortal and immortal that have long plagued Tortall

Cosmologies of Pure Realms and the Rhetoric of Pollution Yohan Yoo,James W. Watts,2021-05-30 This collaboration between two scholars from different fields of religious studies draws on three comparative data sets to develop a new theory of purity and pollution in religion arguing that a culture s beliefs about cosmological realms shapes its pollution ideas and its purification practices The authors of this study refine Mary Douglas foundational theory of pollution as matter out of place using a comparative approach to make the case that a culture s cosmology designates which materials in which places constitute pollution By bringing together a historical comparison of Ancient Near Eastern and Mediterranean religions an ethnographic study of indigenous shamanism on Jeju Island Korea and the reception history of biblical rhetoric about pollution in Jewish and Christian cultures the authors show that a cosmological account of purity works effectively across multiple disparate religious and cultural contexts They conclude that cosmologies reinforce fears of pollution and also that embodied experiences of purification help generate cosmological ideas Providing an innovative insight into a key topic of ritual studies this book will be of vital interest to scholars and graduate students in religion biblical studies and anthropology
