A Stitch in Time Aimee E. Newell, 2014-03-15 Drawing from 167 examples of decorative needlework primarily samplers and quilts from 114 collections across the United States made by individual women aged forty years and over between 1820 and 1860 this exquisitely illustrated book explores how women experienced social and cultural change in antebellum America The book is filled with individual examples stories and over eighty fine color photographs that illuminate the role that samplers and needlework played in the culture of the time For example in October 1852 Amy Fiske 1785 1859 of Sturbridge Massachusetts stitched a sampler But she was not a schoolgirl making a sampler to learn her letters Instead as she explained The above is what I have taken from my sampler that I wrought when I was nine years old It was w rough t on fine cloth and it tattered to pieces My age at this time is 66 years Situated at the intersection of women s history material culture study and the history of aging this book brings together objects diaries letters portraits and prescriptive literature to consider how middle class American women experienced the aging process Chapters explore the physical and mental effects of old age on antebellum women and their needlework technological developments related to needlework during the antebellum period and the tensions that arose from the increased mechanization of textile production and how gift needlework functioned among friends and family members Far from being solely decorative ornaments or functional household textiles these samplers and quilts served their own ends They offered aging women a means of coping of sharing and of expressing themselves These threads of time provide a valuable and revealing source for the lives of mature antebellum women

Rebecca Mary Annie Hamilton Donnell,2023-07-16 Rebecca Mary by Annie Hamilton Donnell is a poignant narrative

that explores the life of a young girl named Rebecca Mary Plummer who lives with her stern Aunt Olivia. The story unfolds through a series of vignettes that highlight Rebecca Mary's experiences, challenges, and growth. The narrative begins with Rebecca Mary reaching a pivotal moment as she completes her hundred and one stitch on a sheet, symbolizing her determination to break free from the monotonous tasks imposed by her aunt. Her resolve is tested when she decides to stop sewing, leading to a confrontation with Aunt Olivia, who insists on her compliance. The story delves into Rebecca Mary's inner world, revealing her longing for freedom and self-expression. As the narrative progresses, Rebecca Mary embarks on a secret project to create a Thousand Quilt as a gift for Aunt Olivia, showcasing her creativity and perseverance. Her interactions with the minister's wife and the lively Tony Trumbull children further illustrate her desire for companionship and acceptance. The story also touches on themes of guilt and redemption as Rebecca Mary grapples with the fear of having inadvertently caused harm, only to find relief in the resolution of a misunderstanding. Throughout the book, Rebecca Mary's introspective nature and her relationship with her pet rooster, Thomas Jefferson, serve as a source of comfort and reflection. The narrative captures the essence of a young girl's journey towards self-discovery, highlighting her resilience and the subtle shifts in her relationship with Aunt Olivia. Ultimately, Rebecca Mary is a heartwarming tale of growth, courage, and the enduring bond between a child and her guardian.

Rebecca of Sunnybrook Farm Kate Douglas Wiggin, 1904 [Rebecca of Sunnybrook Farm](#) Kate Douglas Smith Wiggin, 1903 Talkative ten-year-old Rebecca goes to live with her spinster aunts, one harsh and demanding, the other soft and sentimental, with whom she spends seven difficult but rewarding years growing up.

North Carolina Quilts Ruth Haislip Roberson, 1988 This magnificent volume features color photographs of more than 100 quilts crafted in North Carolina between the early nineteenth century and 1976. Included are chintz applique quilts, intricately pieced and appliqued quilts, crazy quilts, and examples of ingenious thrift in quilting with found and salvaged materials. The quilts were chosen from more than 10,000 that owners brought to be recorded by the North Carolina Quilt Project during a series of statewide Quilt Documentation Days in 1985-86. Because the quilts are privately owned, many have never been seen publicly. The text presents the lives and times of the quiltmakers, accompanied by many vintage photographs from family collections. Whether these women made quilts to pass the time, warm their families, beautify their lives, or serve as symbols of love and togetherness, they used their fabric with uncommon artistry and craftsmanship.
