*Satan and God's Armor* Robert B. Callahan Sr., 2013-05-29 The Apostle Paul leaves no stone unturned as he encourages enlightens and informs the Ephesian believers and us regarding their duties and responsibilities as Christ s followers Yes there are duties and responsibilities for professing Christians just as there are duties and responsibilities in every phase of life whether it be as children parents employee employer student teacher or whatever field of endeavor one may pursue The apostle is addressing those who believe in the Lord Jesus Christ and seek to follow Him which as Paul knows is not easy Therefore in this portion of Scripture he stresses certain truths that will strengthen each and every Christian as they journey through life The elements may sound simple to learn but they are difficult to practice day in and day out What are they Obedience discipline priorities knowing your heavenly Father not just knowing about Him being strong disciples in the faith and separating ourselves Developing these traits requires a commitment to adhere to Christ s teachings and commands Paul then switches our attention from what we

are to do as Christ's followers and states emphatically that we are to be strong in the Lord and in the power of his might. Put on the whole armor of God that ye may be able to stand against the wiles schemes of the devil Eph 6 1 11 Paul states unequivocally that we are to prepare to wrestle this implacable foe since we belong to Christ and are His followers. He describes Satan his evil characteristics and malevolent intentions. Christ recognized him for what he is. Should we do less? Unfortunately in today's world we ignore him and fail to realize the harm he inflicts on ourselves and others. Paul concludes this portion of Scripture on a high note. He urges us to be properly prepared to recognize heresies to watch and pray to know the difference between false and true teachings and to know the Lord Jesus Christ and what He experienced during His earthly ministry.

Biblical Worship Shamblin Stone, 2012-03-15 God has always had a way He wants to be worshiped. He has outlined that way for us in His written revelation, the Bible. In it He has commanded us to worship Him with our entire being, holding nothing back. According to Jesus, this is the first and greatest commandment. The reasons God has given us for obeying His commands to worship Him are because of who He is and because of what He does. Worship is the biblically declared reason for mankind's existence. However, how and when we worship is just as important as the fact that we do worship. Also, what God means when He uses the biblical synonyms of the word worship is important to understand when we are trying to obtain a more complete picture of how God wants us to worship Him. Biblical Worship is a book for every Christian regardless of their preferred worship style or worship traditions. The fresh, new insights contained within its pages about what type of worship God desires from us all have the potential to shock you at times. At the very least, this book will cause you to never view worship the same way again.
