Forming Humanity Jennifer A. Herdt, 2019-08-22 Now in paperback Forming Humanity reveals bildung or ethical formation as the key to post Kantian thought Kant's proclamation of humankind's emergence from self-incurred immaturity left his contemporaries with a puzzle What models should we use to sculpt ourselves if we no longer look to divine grace or received authorities Deftly uncovering the roots of this question in Rhineland mysticism Pietist introspection and the rise of the bildungsroman Jennifer A Herdt reveals bildung or ethical formation as the key to post Kantian thought This was no simple process of secularization in which human beings took responsibility for something they had earlier left in the hands of God Rather theorists of bildung from Herder through Goethe to Hegel championed human agency in self-determination while working out the social and political implications of our creation in the image of God While bildung was invoked to justify racism and colonialism by stigmatizing those deemed resistant to self-cultivation it also nourished ideals of dialogical encounter and mutual recognition Herdt reveals how the project of forming humanity lives on in our ongoing efforts to grapple with this complicated legacy

The Magical Battle of

Britain Dion Fortune, 2012 Immediately following Britain's declaration of war in 1939 Dion Fortune began a series of regular letters to members of her magical order the Fraternity of the Inner Light who were unable to hold meetings due to wartime travel restrictions With enemy planes rumbling overhead she organized a series of visualisations to formulate seed ideas in the group mind of the race archetypal visions to invoke angelic protection and uphold British morale under fire The war has to be fought and won on the physical plane she wrote before physical manifestation can be given to the archetypal ideals What was sown will grow and bear seed As the war developed this was consolidated with further work for the renewal of national and international accord For the first time the Fraternity's doors were opened to anyone who wanted to join in and learn the previously secret methods of esoteric mind working With unswerving optimism she guided her fraternity through the dark days of the London Blitz continuing her weekly letters even when the bombs came through her own roof
