Refugees From Nowhere:

Refugees from Nowhere George W. Bourland,1968 *Citizens of Nowhere* Debi Goodwin,2010-09-14 An inspiring story of courage adaptation and determination a year in the life of 11 refugee students entering universities across Canada Most journalists have stories they never forget This is mine When Debi Goodwin travelled to the Dadaab Refugee Camp in 2007 to shoot a documentary on young Somali refugees soon coming to Canada she did not anticipate the impact the journey would have on her A year later in August of 2008 she decided to embark upon a new journey starting in the overcrowded refugee camps in Kenya and ending in university campuses across Canada For a year she recorded the lives of eleven very lucky refugee students who had received coveted scholarships from Canadian universities guaranteeing them both a spot in the student body and permanent residency in Canada We meet them in the overcrowded confines of a Kenyan refugee camp and track them all the way through a year of dramatic and sometimes traumatic adjustments to new life in a foreign country called Canada This is a snapshot of a refugee s first year in Canada in particular a snapshot of young men and women lucky and smart enough to earn their passage from refugee camp to Canadian campus The Refugees Convention 50 Years on Susan Kneebone,2018-04-27 This title was first published in 2003 The authors of the essays in this collection all internationally recognised refugee scholars and practitioners look at the controversial hot topic of refugee rights They consider whether 50 years after its agreement the Refugees Convention can provide an adequate framework for protection In particular the authors address the effect of globalization upon the human rights of asylum seekers and refugees the efficacy of the Convention as an instrument of international law the role of the UNHCR whether NGOs are effective instruments for change and nationality and citizenship issues They also consider alternatives and options for solutions to the global refugee problem **Administration's Proposed Refugee Admissions Program for Fiscal Year 1993** United States. House of Commons,1879 **Hannah Arendt and the Challenge of Modernity** Serena Parekh,2008-03-06 Hannah Arendt and the Challenge of Modernity explores the theme of human rights in the work of Hannah Arendt Parekh argues that Arendt s contribution to this debate has been largely ignored because she does not speak in the same terms as contemporary theoreticians of human rights Beginning by examining Arendt s critique of human rights and the concept of a right to have rights with which she contrasts the traditional understanding of human rights Parekh goes on to analyze some of the tensions and paradoxes within the modern conception of human rights that Arendt brings to light arguing that Arendt s perspective must be understood as phenomenological and grounded in a notion of intersubjectivity that she develops in her readings of Kant and Socrates **The Sword and the trowel; ed. by C.H. Spurgeon** London metrop. tabernacle,1871 *The U.S. Sanitary Commission in the Valley of the Mississippi During the War of the Rebellion 1861-1866 Final Report of J. S.
