

Dear Parents,

I am pleased to welcome you to the 2022-2023 school year! I look forward to helping your child learn, become more independent, build their self-esteem, develop strategies to regulate their emotions, and create new memories. I want to reassure you that I will be there to help guide your child (and you!) through this learning process. We will work together as a team to make sure it is an amazing year for your child.

At the beginning of every school year, I ask that parents/guardians complete a survey about their child. Your answers are essential in allowing me the opportunity to get to know your child better, as well as hear any concerns or questions you may have as we begin the school year together. [Please complete the Google Form attached in my email by next Friday, September 9, 2022.](#)

With gratitude,

Ms. Basil
