Preaching Judges:

Preaching Judges (pct) , Judges Abraham Kuruvilla,2017-06-05 Judges A Theological Commentary for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the units of the letter to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text i e what the author is doing with what he is saying Judges is divided into fourteen preaching units and the theological focus of each is delineated The overall theological trajectory or theme of the book deals with the failure of leadership in the community of God s people Since God s people are all called to be leaders in some arena to some degree in some fashion the lessons of Judges are applicable to all Christians The specific theological thrust of each unit is captured in this commentary making possible a sequential homiletical movement through each pericope of Judges While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the twelve preaching units of Judges The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Judges with an emphasis on application Preachers shy away from the book of Judges After all it is smeared with blood and littered with dead bodies making one wonder What relevance does this book have for modern readers Abraham Kuruvilla takes on the challenge of answering that question I heartily recommend this commentary Robert B Chisholm Jr Dallas Theological Seminary With astute observations about the text that readily lend themselves to homiletical applications and broad suggested preaching outlines that closely reflect the theology of the text Kuruvilla s commentary will prove to be a valuable resource for the expository teacher preacher Gregory T K Wong Evangel Seminary Hong Kong With Abraham Kuruvilla s sensitive literary and theological reading of Judges he shows preachers how to relate its message to the world in which we live and the alternative world Christians are called to represent Given his clear focus on helping preachers this is probably the first book anyone expounding the book of Judges for a class or a congregation should get Dan Block Wheaton College Wheaton Illinois Based on solid exegesis of the original text this commentary makes the literary form and message of the book of Judges accessible and demonstrates in clear fashion how to preach the different sections of the book faithfully and effectively K Lawson Younger Jr Trinity Evangelical Divinity School Deerfield Illinois Abraham Kuruvilla is Research Professor of Pastoral Ministries at Dallas Theological Seminary and a dermatologist in private practice He is the author of Text to Praxis Hermeneutics and Homiletics in Dialogue 2009 Privilege the Text A Theological Hermeneutic for Preaching 2013 and A Vision for Preaching Understanding the Heart of Pastoral Ministry 2015 in addition to theological commentaries for preachers on Mark 2012 Genesis 2014 and Ephesians 2015 He blogs regularly at www.homiletix.com **Preaching Judges** Joseph R.
