Preacher King:

The Preacher King Richard Lischer,2020 The Preacher King investigates Martin Luther King Jr s religious development from a precocious preacher s kid in segregated Atlanta to the most influential America preacher and orator of the twentieth century To give the most accurate and intimate portrait possible Richard Lischer draws almost exclusively on King s unpublished sermons and speeches as well as tape recordings personal interviews and even police surveillance reports By returning to the raw sources Lischer recaptures King s truest preaching voice and consequently something of the real King himself He shows how as the son grandson and great grandson of preachers King early on absorbed the poetic cadences traditions and power of the pulpit more profoundly influenced by his fellow African American preachers than by Gandhi and the classical philosophers Lischer also reveals a later phase of King s development that few of his biographers or critics have addressed the prophetic rage with which he condemned American religious and political hypocrisy During the last three years of his life Lischer shows King accused his country of genocide warned of long hot summers in the ghettos and called for a radical redistribution of wealth 25 years after its initial publication The Preacher King remains a critical study that captures the crucial aspect of Martin Luther King Jr s identity Human complex and passionate King was the consummate American preacher who never quit trying to reshape the moral and political character of the nation

Yang,2019-05-23 In the quiet recesses of my heart Dr Martin Luther King Jr often said I am fundamentally a clergyman a Baptist preacher No other statement could identify King better than this Thus the statement is the launching point for this work on preacher King s timeless messages on violence and reconciliation rooted in his theological foundation of the universal yet personal loving God Yang shows how King based on that theological idea vitalizes a pastoral and prophetic preaching voice hoping to create reconciliation in the context of a violent reality This concise piece is easily accessible yet rich enough to see the continuing impact and applicability of preacher King s reconciliatory ideas in the present violent torn apart world that desperately awaits reconciliation The Preacher's Complete Homiletical Commentary on the Old Testament: Kings ,1892 The Preacher's Complete Homiletical Commentary ,1892 Martin Luther King JR.
