Reflections Revisited Reuben H. Siverling, 2017-01-09 As described by Reverend J Lowell Harrup pastor of Northland Cathedral Kansas City Missouri This book focuses on army rangers in particular the Fourth Infantry Divisions LRRPs or the rangers of the Seventy Fifth Regiment the official as well as the spiritual successor to the fabled Merrills Marauders the long range deep penetration units of World War II Their stories need to be told not for individual aggrandizement though they certainly earned that but so their history will be more than a political polemic The Vietnam conflict was terrible but our troops carried on the tradition of our military from the beginning of this nation I have come to know many of them including a number of highly decorated heroes of that conflict Among those I put in that category is Reuben Siverling a close friend and Christian brother whose story is in this book These stories are not enhanced they need no enhancement They are in fact the attempt to reduce in words the experiences that were lived in units of time distorted by the surreality of war extreme environments separation from families and constant death and dying all around The complete story of each cannot be told books are not big enough But these are told so that history will stand unrevised **Eyes Behind the Lines** James F.

Gebhardt, 2005 **U.S.A. Enjoy light hearted moments too as humor and goofing around helps the guys cope with three grim realities of war danger destruction and death Ghost Warriors also covers stories from the home front Take a glimpse into the hearts and minds of wives sweethearts and family members left in the States to cope with concern for their soldier s well being insufficient Army pay job discrimination and the prevalent public disdain for the war and by association their loved one in Nam One Ghost Warrior James Worth says I look back at the Vietnam War with plenty of mixed feelings but on one thing there can be no doubt I got to fight with the best soldiers of the Vietnam War the baddest ass do anything guys you could imagine It s a great honor just to be with them to be one one of them I served with the best warriors America put out in that war they were tough dedicated fighters who were not afraid to take on the enemy s A Team These were the epitome of paratroopers taking the war to the enemy and shoving it down their throats Take that motherfuckers The U S Airborne was here Army Digest ,1968 Lrrp James Borman,Jay Borman,2013-04-01 **U.S. Air Services** ,1925 *Aviation Week & Space Technology* ,1919 Includes a mid December issue called Buyer guide edition
